Adrian Silver Screen To Custom Label:

Adrian Christian Esquevin, 2008 This book highlights and showcases many of Adrian's great costume and fashion designs from the 1920s through the 1950s. Not only are his timeless glamour gowns, period costumes, and amazing show girl costumes shown from the movies, but also his impeccable suits and beautiful gowns from his private label. The ten years of Adrian Ltd are summarized year by year, and his life with Janet Gaynor and his taste for decorating and art are described. *Creating the Illusion* Jay Jorgensen, Donald L. Scoggins, Turner Classic Movies, 2015-10-06 Marilyn Monroe made history by standing over a subway grating in a white pleated halter dress designed by William Travilla. Hubert de Givenchy immortalized the Little Black Dress with a single opening scene in *Breakfast at Tiffany's*. A red nylon jacket signaled to audiences that James Dean was a Rebel Without a Cause. For more than a century, costume designers have left indelible impressions on moviegoers' minds. Yet until now, so little has been known about the designers themselves and their work to complement and enrich stories through fashion. *Creating the Illusion* presents the history of fashion on film, showcasing not only classic moments from film favorites but a host of untold stories about the creative talent working behind the scenes to dress the stars from the silent era to the present day. Among the book's sixty-five designer profiles are Clare West, Howard Greer, Adrian, Walter Plunkett, Travis Banton, Irene Edith Head, Cecil Beaton, Bob Mackie, and Colleen Atwood. The designers' stories are set against the backdrop of Hollywood: how they collaborated with great movie stars and filmmakers; how they maneuvered within the studio system; and how they came to design clothing that remains iconic decades after its first appearance. The array of films discussed and showcased through photos spans more than one hundred years, from draping Rudolph Valentino in exotic sheik dress to the legendary costuming of *Gone with the Wind*. Alfred Hitchcock thrillers *Bonnie and Clyde*, *Reservoir Dogs*, and beyond. This gloriously illustrated volume includes candid photos of the designers at work, portraits, and wardrobe tests of stars in costume, and designer sketches. Drawing from archival material and dozens of new interviews with award-winning designers, authors Jay Jorgensen and Donald L. Scoggins offer a highly informative, lavish, and entertaining history of Hollywood costume design. About TCM Turner Classic Movies is the definitive resource for the greatest movies of all time. It engages, entertains, and enlightens to show how the entire spectrum of classic movies, movie history, and movie making touches us all and influences how we think and live today. *Forgotten Designers: Costume Designers of American Broadway Revues and Musicals From 1900-1930* Delbert Unruh, 2018-11-06 *Forgotten Designers* is a book that features the work of thirty American and international costume designers who designed musicals and revues on Broadway from 1900 to 1930. The book features over three hundred images of these designers' color renderings and sketches. *The Costumes of Hollywood* Coleen Scott, Larry McQueen, 2025-07-04 *The Costumes of Hollywood* details the design, creation, and influence of over 100 ensembles from some of the most iconic designers' films and roles in Hollywood history, spanning the 1920s through the early 21st century. All costumes featured are from The Collection of Motion Picture Costume Design, one of the world's largest.

private collections curated over thirty five years by leading Hollywood costume historian and archivist Larry McQueen The book presents full costumes on display in addition to close ups and rarely seen interior details of some garments Iconic costumes including many with Academy Award nominations from *Some Like It Hot* *Hello Dolly* *Cabaret* *Rear Window* *Ben Hur* *Mildred Pierce* *Angel Masters of the Universe* *The Piano* *The Hunger Games* and so many others are featured This book gives the audience a rare and heretofore unpublished insight into what collecting restoring and reproducing entails and highlights differences between private collecting and museum backed collections *The Costumes of Hollywood* details the significance of the designer costume and wearer via thorough research interviews and Larry McQueen s behind the scenes knowledge of collecting and working as an archivist in Hollywood Within the entertainment field this book will be of interest to professional costume designers and technicians in film theatre and performance as well as students of film production history and costume design and construction *The Costumes of Hollywood* will also enrich and entertain anyone with an interest in costume design in film and collecting
