Advanced Everyday English Practical Everyday English:

Advanced Everyday English Steven Collins, 2011 Advanced Everyday English is designed in very much the same mode as the first book Practical Everyday English with audio CD in that all of the examples will contain vocabulary and expressions you have studied on earlier pages. You will also find many words from the first book which will give you an opportunity to revise the material. In this second book there is more of what one might call serious vocabulary but there are plenty of phrasal verbs and idioms as well. The book will be of particular benefit to those readers with an advanced level of English who wish to become or who already are interpreters, translators or teachers of English or who simply want to be able to speak and understand English at a very high level. In addition, people who need to read English language journals or converse in English on a daily basis either in business or for pleasure will find it very useful. Publisher's description

Practical Everyday English Steven Collins, 2009 Practical Everyday English is a self-study book with audio CD that focuses on advanced vocabulary, phrasal verbs and idioms. It teaches students words and expressions which are often not learnt at schools or in other books. It is the first book in the Practical Everyday English series.

Advanced Everyday English Steven Collins, 2020 Is your English good but still not fluent and natural? Advanced Everyday English is book 2 in the Everyday English series. This book will teach you advanced vocabulary, phrasal verbs and idioms with excellent examples and constant repetition. Each of the nine chapters ends with written dialogue and exercises to practise and test you on what you have studied in that chapter. It is designed for self-study so you don't need a teacher but it can also be used in the classroom by experienced mother-tongue English speakers.

Fluent Everyday English Steven Collins, 2020-09 Fluent Everyday English is the fourth and final book in the Practical Everyday English series. These self-study books are designed to improve the everyday vocabulary of adult advanced students of English as a foreign language; they are particularly useful for people who live in the United Kingdom or use English on a daily basis either at work or college. The idea behind them is to improve the fluency and knowledge of people who already have much more than just a basic level of English. This final book in the series follows the same format as the previous three titles: Practical Everyday English, Advanced Everyday English, High-level Everyday English, that is, clear explanations of meanings, realistic examples containing words and idioms, previously taught dialogues and exercises. If you have followed the Everyday English course right from the beginning of book 1 Practical Everyday English through to book 3 High-level Everyday English, you shouldn't find Fluent Everyday English any more difficult than the others. My hope in fact is that you really enjoy studying this book and feel that it helps you acquire a very high level of English vocabulary.

High-level Everyday English Steven Collins, 2020 High-level Everyday English is the third book in the Practical Everyday English series. All the books are designed for students who already have good English but this third one is especially for those who have reached a very advanced stage in their English studies but still need a little help with difficult vocabulary. The method used is the same as in the previous two books, i.e. nearly all examples contain words and expressions.

Advanced Everyday English Practical Everyday English: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. Advanced Everyday English Practical Everyday English : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Advanced Everyday English Practical Everyday English : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
