Anthropology Joy Hendry, Simon Underdown, 2012-08-01 In this illuminating tour of humanity Joy Hendry and Simon Underdown reveal the origins of our species and the fabric of human society through the discipline of anthropology Via fascinating case studies and discoveries they unravel our understanding of human behaviours and beliefs including how witchcraft has been used to justify misfortune and debunk old fashioned ideas about race based upon the latest genetic research They even share what our bathroom tells us about our concept of the body and ourselves From our evolutionary ancestors through our rites of passage to our responses to globalization Hendry and Underdown provide the essential first step to understanding the world as an anthropologist would in all its diversity and commonality *Theory for Beginners* Kenneth B. Kidd, 2020-11-03 Since its inception in the 1970s the Philosophy for Children movement P4C has affirmed children s literature as important philosophical work Theory meanwhile has invested in children s classics especially Lewis Carroll s Alice books and has also developed a literature for beginners that resembles children s literature in significant ways Offering a novel take on this phenomenon Theory for Beginners explores how philosophy and theory draw on children s literature and have even come to resemble it in their strategies for cultivating the child and or the beginner Examining everything from the rise of French Theory in the United States to the crucial pedagogies offered in children s picture books from Alison Bechdel s graphic memoir Are You My Mother and Lemony Snicket s A Series of Unfortunate Events to studies of queer childhood Kenneth B Kidd deftly reveals the way in which children may learn from philosophy and vice versa
