Army Field Manual 1:

Army Field Manual FM 1 (The U.S. Army Mission) The United States Army, 2007 FM 1 describes the American profession of arms the Army's place in it and what it means to be a professional soldier Central to this discussion are the soldier's creed warrior ethos and army values These three statements establish the guiding values and standards of the Army profession To understand soldiers you must know about them To be a soldier you must live them From the Foreword **The Army** U. S. Army, 2005-06-14 The Army Field Manual 1 establishes the fundamental principles for employing landpower The most important of these are the Army's operational concept and the fundamentals that support it They form the foundation for all Army doctrine All Soldiers should understand and internalize them It describes the American profession of arms the Army's place in it and what it means to be a professional Soldier FM 1 discusses Army contributions to the joint force Finally FM 1 talks about Soldiers the centerpiece of all Army organizations FM 1 begins and ends with Soldiers because the Army begins and ends with Soldiers It is they who together with their leaders will keep the Army relevant and ready today and tomorrow June 2005 edition commercial reprint *Human Resources Support (FM 1-0)* Department of the Army, 2012-12-07 This publication Human Resources Support FM 1-0 provides fundamental principles to help guide actions make decisions and establish policies in support of national objectives Field Manual FM 1-0 is the Army's single source of doctrine for Human Resources HR Support It describes HR doctrine and how it fits into the Army's current and future operational concept across the full spectrum of conflict Execution of this doctrine requires well trained values based Soldiers imbued in the Warrior Ethos who are capable of operating in a Joint or unified environment FM 1-0 promotes a common understanding of HR support fundamentals This manual does not dictate procedures for any particular operational scenario nor does it provide specific system procedures for HR enablers It provides the doctrinal base for developing operation plans OPLANs and standing operating procedures SOPs Leaders and HR operators at all levels must apply these fundamentals using Army planning and decision making processes This publication is an authoritative guide that requires judgment in application As the Army continues transformation to brigade centric operations HR support operations remain relevant and agile by capitalizing on technological advancements and system capabilities to provide timely and accurate information to commanders These changes include how we are organized how we are supported and how we support other units This approach allows HR providers to understand their responsibilities while executing traditional functions more responsively at lower unit levels All previous functions remain intact but have been consolidated into four HR core competencies that encompass all HR functions and tasks The competencies are Man the Force Provide HR Services Coordinate Personnel Support and Conduct HR Planning and Operations This change reflects a detailed analysis of critical HR tasks as they relate to operational and tactical environments and aligns HR tasks with those contained in the upcoming FM 7-15 The Army Universal Task List AUTL Chapter 1 describes HR objectives enduring principles discusses the core competencies and
