Transformational Governance Beth Gazley,Katha Kissman,2015-07-02 There has never been so much pressure on nonprofit boards of directors to achieve a

level of accountability that meets public and stakeholder expectations Member serving association boards maybe especially challenged by their more complex affiliate structures and a greater emphasis on representative governance But what does the journey to good governance look like Markedly different from existing board development books this modern approach focuses less on the behaviors and qualities of high performing boards and more on the stages and processes that directors and their staff used to transform their boards Based on research funded by the ASA Foundation the book fills a gap in the governance literature by emphasizing diagnosis and problem solving using the actual tools and activities implemented by 85 transformed associations Combining the credibility of scholarly research with lively and compelling stories tools and teachable moments this book is designed to help associations and other nonprofit organizations achieve the entire journey to good governance from first to last steps Fundraising Basics: A Complete Guide Barbara L. Ciconte, Jeanne

Jacob, 2008-12-18 As nonprofit organizations face heightened scrutiny by the general public donors regulators and members of Congress the Third Edition of the essential book on the basics of fundraising provides new up to date and valuable information that every fundraiser needs to know With ethics and accountability being the primary theme of the third edition this practical guide will continue to provide an overview of the field and give development staff managers and directors a platform from which to operate their fundraising programs The new expanded edition also provides much needed information on developing a case for support giving trends donor motivations planning setting up a development operation impact of new technologies on fundraising return on investment estimates workflow timetables and the importance of the Internet This primer remains a must have for anyone new staff or volunteer to the fundraising field those wishing to expand their fundraising knowledge those working in supporting foundations or those contemplating taking the CFRE exam New to the Third Edition Thoroughly updated chapters including new information on email and online fundraising Development related policies and procedures and position descriptions A new chapter on Fundraising with Chapters or Affiliates New case studies samples and tools Updated references and citations Updated glossary Click on Additional Resources to View Sample Chapters 2009 602 pages *De Gruyter Handbook of Media Economics* Ulrike Rohn, M. Bjørn Rimscha, Tim

Raats, 2024-05-20 The handbook presents key contributions from scholars worldwide providing a comprehensive exploration of current trends in media industries from diverse perspectives Within the framework of understanding contemporary and future trajectories in media markets and industries the volume delves into their influence on media organization and delivery along with broader societal and market implications Encompassing research at the crossroads of economics management political economy and production studies the handbook emphasizes the necessity for a robust interdisciplinary dialogue Beyond scrutinizing present and forthcoming industry developments the handbook addresses pivotal issues pertaining to media economics research methods and pedagogy It serves as a valuable resource for scholars students and media professionals providing insights into media economics as an academic field and delving into the multifaceted dynamics that
