Richard Swinburne, 2019-07-25 What are humans What makes us who we are Many think that we are just complicated machines or animals that are different from machines only by being conscious In *Are We Bodies or Souls* Richard Swinburne comes to the defence of the soul and presents new philosophical arguments that are supported by modern neuroscience When scientific advances enable neuroscientists to transplant a part of brain into a new body he reasons no matter how much we can find out about their brain activity or conscious experiences we will never know whether the resulting person is the same as before or somebody entirely new Swinburne thus argues that we are immaterial souls sustained in existence by our brains Sensations thoughts and intentions are conscious events in our souls that cause events in our brains While scientists might discover some of the laws of nature that determine conscious events and brain events each person's soul is an individual thing and this is what ultimately makes us who we are *Paul's Lifesong of Joy and Unity* Sharon I. Gresham, 2012-09-05 When Paul and Silas were in prison in Philippi they burst into singing Paul looked at life with a joyful song He found delight when believers lived in harmony The theme of this Bible study is Paul's Life Song Hear his song in the letter he wrote to Philippi even while in another prison Some strains explode with joy while other stanzas carry a minor melody to encourage or warn the people he loved Study his messages and learn how to apply Paul's attitudes regardless of his circumstances This Bible study is rich with insights into the Hebrew and Greek and covers themes Paul brings from the Old Testament or other New Testament teachings Dive deeper into those themes by taking important excursions into the background of the topics This in depth verse by verse investigation is valuable for individuals or groups Enjoy the commentary while completing the workbook and applying the messages to everyday situations Determine your timeframe for

the study as you discover what the Lord Jesus wants to do in your life through Paul Ive had the privilege of knowing Sharon Gresham as a teacher speaker for many years and now as a writer Her commitment to in depth study and application of the Bible is refreshing The Philippians study equips the pastor teacher with a resource much needed in the church today I am excited to teach this study both in our church and as we minister internationally Darrel Auvenshine pastor of Southside City Church Fort Worth Texas With a gift for accurately communicating Gods Word in a relevant and personal way Sharon Greshams in depth study of Philippians will delight and thrill any serious student of the Scriptures I highly recommend it Scott Whitson director of missions Southwest Metroplex Baptist Association and former missionary to Tanzania *We Are Everywhere* Notes From Nowhere,2003-10-17 *We Are Everywhere* is a whirlwind collection of writings images and ideas for direct action by people on the frontlines of the global anticapitalist movement This is a movement of untold stories because those from below are not those who get to write history even though we are the ones making it *We Are Everywhere* wrenches our history from the grasp of the powerful and returns it to the streets fields and neighbourhoods where it was made **The People's Bible: John** Joseph Parker,1893 *Are We There Yet?* Sarah Lynne Ramsey,2009-09 Did you know God has a secret place He does and he wants you to learn the way into the secret place of the Most High In *Are We There Yet* Sarah Ramsey uncovers an ancient path in the Tabernacle of Moses that reveals the pattern into God s presence Though the journey is simple many people do not know how to get there Let s make the journey together It is simply not possible to take this journey incrementally and progressively and not get there our arrival being understood as a renewed sense and awareness of God s own manifested presence After having read Sarah s book the sense of the manifest presence of the Lord has increased in a way that I have long desired Sarah really does take you there Bob and Judith Mumford International Bible teacher and author In a time when mankind has apparently lost his mooring to anything steadfast and absolute *Are We There Yet* comes along Every Christian worker serious about their service for the gospel should add this foundational work to their library Joe McGee President Joe McGee Ministries Faith For Families Our hope and trust is that this in depth examination of the pathway into the presence of God will inspire many to begin and complete this valuable journey and then to abide in His presence Dick Leggatt President Derek Prince Ministries Sarah has a contagious love for Christ and His presence and walks intimately with Him Her personal prayer life is honored and emulated by others Pastor Eddie Turner First Assembly of God Cookeville Tennessee **Being and Belief** Douglas Vickers,2013-01-30 The confession the church makes to the world sits oddly in the contemporary cultural complex Intellectual fashions in the marketplace of ideas have moved beyond an accommodation of biblical theological categories Philosophy is unsure of its status in an amorphous postmodernism and theology threatens to degenerate into intellectual experimentation They have become mutually suspicious and hesitant of conversation But a heavy fault lies with the church s own confessional status For what is it the church has to say to the world Has it preserved confessional continuity with the Reformation theology that rediscovered its biblical foundations and

liberated it from intellectual and confessional shackles Has the church surrendered the possibility of relevance by having lost its own historic identity And is it necessary to conclude as a result that contemporary culture is no longer penetrable by any word from the old wells of divine disclosure In this brief but challenging book Douglas Vickers brings the Christian confession to the forefront of consideration and reestablishes a theology grounded in historic verities sustained by the scriptural declarations In straightforward and accessible terms Being and Belief addresses the meaning of biblical truth for Christian understanding and Christian life We Are Daughters of Our Heavenly Father: Striving to Live the Young Women Values Jen Brewer,2023-02-02
