Reconstruction, 1992 *To Be a Man* Charles Sledge, 2017-05-31 What does it mean to be a man And even if one gets the definition right something that very few do how does one go about becoming a man We live in a world where most males are divorced from their masculinity They have been told that their masculinity is at best old fashioned as if that was a bad thing and at worst evil and toxic Because of this we live in a time where males are more confused than ever On one hand they hear about the war on masculinity and on the other hear about how their masculinity which many have little or any of are responsible for all of the world s ills Becoming a man is something that has taken time guidance and effort in any age Including one without all of the delusions and poisons of our own In this book a path a guide to manhood is offered First off one must understand that not only is their manhood not evil but rather right natural and good but also that males will always feel lost and adrift without starting on this path They will for all time feel like a fish out of water It is only through starting on and going through this rigorous journey that they will feel well within their souls This doesn t mean that the path is easy of course far from it But it is healthy and it is what is needed in this day and age as all others before it and all that are to come In *To Be A Man A Guide To Manhood* you ll learn What this spirit of man is why it s so important and how to cultivate it in yourself The 3 P s of manhood and while they represent a foundation of what being a man is all about How a man is to handle women in his life How a man is to handle enemies in his life How a man is to handle accumulating resources in his life The inextricable connection between a man s freedom and his sense of manhood The 2 natural professions of man that every man must develop to feel fulfilled The relationship between pain challenge and growth and what this means for a man The one and true measure of a man that has held since time began and will until it ends How to get started on the path to manhood and what this means for every man on it And much more If you re ready to get started on your path to becoming the man you were destined to be then get your copy of *To Be A Man A Guide To Manhood* today [The Dude's Guide to Manhood](#) Darrin Patrick, 2014-01-14 Discover the path to true masculinity to an adventurous life of strength purpose and clarity Didn t we used to understand manhood Wasn t there a time once when it was clear and straightforward Are we lost Dudes look around you The trail we once traveled from boyhood to maturity is now so overgrown it s almost impossible to trace Our vision is blurred rendering the map that previous generations followed unreadable Our compass needles are spinning in circles making navigation impossible We are stuck in dense dangerous woods and our communities the wives children friends and colleagues we could be influencing are suffering as a result It can be tempting to give up and like so many men today simply exist but take heart Now is not the time for men to abandon our quest We can discover the path to true masculinity to an adventurous life of strength purpose and clarity In *The Dude s Guide to Manhood* pastor author and dude Darrin Patrick charts a course back toward real manliness mapping out a vision to help men find significance and influence in today s broken mixed message culture Revealing his own frailties and missteps Patrick doesn t preach at you but walks with you on a
