Praise for previous editions...

Behavior Analysis for Lasting Change is firmly grounded in current research and principles. It is not merely a textbook that provides practitioners with the techniques and tricks that they might use on the job, but rather a textbook that prepares students to become critical consumers of research and critical evaluators of treatment efficacy—exactly the repertoires we hope for competent behavior analysts to possess. In short, this text is ideal for shaping the next generation of scientist practitioners.

Ruth Anne Rehfeldt, Professor
The Chicago School of Professional Psychology

Beth Sulzer-Azaroff, G. Roy Mayer and Michele Wallace deliver the best textbook for applied behavior analysis available. Easy-to-read, well-researched and practical—this book will provide both students and instructors strategies to solve real life problems. Indeed, this book puts the “applied” back into behavior analysis.

Kathleen Dyer, CCC-SLP, Ph.D. BCBA-D
River Street Autism Program

I'm overwhelmed; the book is a masterpiece....[*Behavior Analysis for Lasting Change*] should be a mainstay in the armamentarium of every behavior analyst as a reference text.Important, comprehensive, readable, inspiring—this book has all the qualifications for becoming a classic. If you are only going to read one book about applied behavior analysis, read this one.

Behavior Analysis For Lasting Change:

Behavior Analysis for Lasting Change G. Roy Mayer, Beth Sulzer-Azaroff, Michele Wallace, 2012 Organizational Behavior Management - An introduction (OBM) Joost Kerkhofs Robert den Broeder, 2020-11-03 This book is about achieving behavioral change in organizations It provides a specific practically applicable answer to the how question of behavioral change based on scientifically validated principles This distinguishes this book from many other management books Organizational Behavior Management or OBM for short is the field that deals with behavioral change in organizations Some prefer to speak of targeted behavioral influence OBM is not about changing people nor is it about manipulating people It is about changing the environment in which people behave The goal is to create working conditions that inspire and motivate people to deliver peak performance Leaders play an important facilitating role in creating and maintaining such working conditions Applying OBM principles properly makes people happy to perform well every day That s fun for everyone it creates an absolute win win situation People exhibit or display observable behavior all day long Sometimes people emit outright unwanted behavior Others just don t do what we agreed upon or don t do what they learned in training Many organizations suffer from clumsy unwanted or even dysfunctional behavior in the workplace For example in the form of pocket veto and saying yes meaning no victim behavior avoidance behavior or escape behavior Analyzing observable behavior for example answers the following questions Why are we now specifically emitting this behavior and not other behavior How do you get people to want to behave differently This book gives answers to these questions and provides executives and other influencers with a solid and evidence based approach for dealing with behavioral performance and motivational issues **Making Changes Last** Jeffrey A. Kottler, 2012-12-06 Based on original research conducted by the author over the past twenty years this book is a definitive investigation of enduring change Hundreds of therapists and change agents in addition to a diverse group of people who have self initiated experiences or structured therapy have been interviewed about their most dramatic growth and the factors that contributed to making their changes last Written for helping and leadership professionals as well as the public this book will give readers the knowledge and tools they need to understand the mechanisms and processes of lasting change **Behavior Analysis for Lasting Change** Beth Sulzer-Azaroff, G. Roy Mayer, 1991-01-01 Handbook of Applied Behavior Analysis John Austin, James Carr, 2000-05-01 Applied Behavior Analysis ABA is a highly functional discipline that instead of searching for abstract internal causes for human behavior looks to external factors that can be influenced Once identified these factors can be manipulated to make meaningful positive improvements in the lives of real people through positive behavior change Not surprisingly behavior analysis has been applied to a wide range of human activities from helping troubled teens to organizing industry to maximizing sports performance ABA interventions for these diverse problems are often creative and they tend to be effective In this volume some of the field s foremost practitioners offer their expert perspective on a range of topics within ABA Each
