Bible Online Reading:

The Bible Reading of Young Evangelicals Ruth H. Perrin, 2016-10-04 Young evangelicals in Britain often find themselves at odds with an increasingly secular society and yet the tradition persists and in some places flourishes Sociological studies into the faith of this demographic group are rare yet there is much to be explored as to how their faith functions and how it compares to other groups globally Similarly given the privilege evangelicals afford the biblical text how young believers engage with the ancient Scriptures they understand to be the word of God is particularly significant This work addresses that core question How do young evangelicals make sense of the Bible today Based on qualitative data gathered from three diverse evangelical churches it compares the reading priorities ordinary hermeneutics and theological concerns of young adults Presenting age related focus groups with challenging biblical narratives the study compares strategies for negotiating the texts based on age gender and churchmanship It provides a unique insight into the realities of Bible reading and the faith of Generation Y and gives food for thought not only to those with scholarly interests but also those with a pastoral concern to shape and sustain the Christian faith of young adults in Britain and beyond [Read the Bible like never before!](#) Leo Bigger, Susanna Bigger, 2023-01-25 31 inspiring ideas to discover the Bible in a new way Almost all of us have had some experience reading the Bible For some it is truly enriching but for others reading the scriptures is nothing but torture Susanna Leo Bigger have written this book because they are convinced that when God reveals Himself in the Bible an encounter with Him is always beneficial encouraging and helpful In the Bible God reveals His heart and speaks to us directly Read the Bible Like Never Before aims to support you with 31 refreshing ideas on how you can discover and read the Bible in a new way In this book you are encouraged to get to know our great God more intimately and marvel at what He has already done and still promises to do in your life [One Week Bible CEB: Scripture Summarizing the Holy Bible](#) DUSTIN JOEL. MASSINGALE, 2013-09-04 Why read a paraphrased Summary of the Bible when you can read actual Scripture In only seven days reading ten to twenty minutes each day gather a greater understanding of the Holy Bible From the editor One Week Bible is the only work I've seen of its kind Dr Massingale concisely sheds light and clarity on Biblical principles in a personal manner that is easily attainable and relevant The beauty of this survey is its simplicity Dr Massingale does not presume to deliver academic commentary which one can find from a number of other sources Instead he offers a summation of the word of God to laymen and points to the scriptures themselves as his sole inspiration rather than repackaging other perspectives Readers can anticipate the book to be a companion to accompany and encourage them on their intimate walk with Christ Daniel Kennedy From the Xulon Press editorial staff The author compiles an innovative summary of the Bible in an easy to access and organized format The book includes useful prayers that encourage readers to utilize a variety of themes and reflect on verses as they meditate on scriptural content The combination of the author's passion for Scripture his education and conviction in the introduction will immediately inspire readers to explore this reference tool Additional Features Include

 Gallagher Cox,2015-04-14 For many people the Bible lies at the heart of their faith an ageless source of inspiration and
 guidance On the other side of the spectrum trained biblical scholars study the Bible using a variety of modern historical and
 literary approaches But there is a wide gap between these two groups of readers a gap that brings negative consequences
 for both Without an awareness of historical context ordinary readers easily slip into a literal interpretation while scholars
 sometimes overlook the deeply personal significance the Bible has for people in churches synagogues and Bible study groups
 In How to Read the Bible renowned Harvard Divinity School professor Harvey Cox shows how these different ways of
 approaching the Bible can be reconciled to the enrichment of all By discussing a range of biblical books from Genesis to
 Revelation he demonstrates how the historical analysis of the Bible rather than undercutting its spiritual significance can
 enhance and deepen it Drawing on some of the commonly used modes of biblical scholarship such as archaeology cultural
 studies and literary criticism Cox opens up a rich diverse and contemporary version of scripture one that wrestles with issues
