Taylor,2022-07-06 Today the chatter among evangelical teachers and preachers concerning the end of time seems almost deafening at times Books videos feature films magazine and newspaper articles you name it they all have something to say regarding the end times And please hear my heart I m not disagreeing with them at all I totally agree that we are today living in prophetic times However it seems to me that no one wants to address the question that appears to be on the minds of so many people That question When will these things come to pass Hey the disciples asked Jesus the same question in Matthew 24 right Well that s precisely what this book attempts to do I want to answer that question as best as it can possibly be answered and while I won t be able to give you the exact day or the exact hour of the coming events if I m correct and I really think that I am in what I share within this book I m totally convinced that I can get you in the proverbial ballpark so to speak

And I will do so biblically in other words by using only what the Bible gives us If you ll commit to reading this simple little book for many if not most people I can all but guarantee you that you will exit with a much better understanding of the chronology of God s Word You will read and perhaps for the first time ever be able to comprehend the Gospel or good news of Jesus Christ plus you ll come to appreciate just how little time may actually remain before the end time events that everyone is talking about begins to unfold across the face of the whole earth In other words you will be able to better understand God s man plan and thereby you will be better able to prepare for what lies ahead for all mankind

The Book of Revelation, Its Timeline Gary Corbin, 2024-04-23 This book provides a guide for understanding the time line of the book of Revelation as John presents it This includes a closer look at the seven churches of Asia Minor as well as a brief review on the history of the Rapture doctrine and its origin Although overlooked by traditionalists the image of the beast that can speak could actually be already with us This image that can speak was first introduced on October 6 1927 the jazz singer at the world s fair as the first feature film talkie then escalating into our modern day AI electronics As far as being put to death for not worshipping the image of the beast goes that will come in due time The time line of these and other events speaks volumes as these events started six years before Adolf Hitler became the fuhrer of Nazi Germany That German political title fuhrer carries the connotation of messiah hence national deliverer Six years after Adolf Hitler usurps power WWII ignites as extreme inflation collapses the world s financial institutions culminating into the Great Depression between 1927 and 1939 The Great Depression is not the only possible explanation for this deadly wound but might include something as simple as a segment in a movie as the actor seems to receive it as if it were a deadly wound but gets up and lives on after the movie s director calls Cut Especially with CGI this only gets more extreme This and other theories are based on the fact that the beast of Revelation is clearly a man rising out of the sea as the sea is many people The false prophet rises out of the earth being the nations sweeping up the world in an ecumenical movement with the deification of love This book will revisit the subject of where the northern ten tribes of Israel migrated to after their divorcement and disbursement from the area of their captivity by the Assyrians Later these same northern ten tribes not called Israel but Bit Khumri by the Assyrians migrated with the Israelites into Scythia However before the bulk of these ten tribes migrated northwesterly some claim they declined an invitation back to Jerusalem to help the Jews Judah rebuild the Second Temple under Zerubbabel Ezra and Nehemiah Ezra 1 1 6 2 Esdras 13 41 45 In this study the reader will be provided with information for those with an appetite for God s Word learning the meaning of biblical numbers and much more

[The Bible Blueprint: A Guide to Better Understanding the Bible from Genesis to Revelation](#) Christine Paxson, Rose Spiller, 2021-08-17 Have you ever wanted to read the Bible but found it intimidating Have you ever read parts or all of the Bible but come away more confused than ever Does it seem like there are contradictions in the Bible Why is there an Old Testament and a New Testament Does the Old Testament even matter to Christians today How do the sixty six books of the Bible fit together Is there an overarching theme If you have asked yourself

any of these questions or others you are not alone The Bible Blueprint divides the entire Bible chronologically into six easy to read parts It provides a basic understanding of Scripture as a complete story that links all the various books together It gives an overview of each book touching on highlights and some of the amazing and significant events in each without the reader getting bogged down in the more difficult sections There is no substitute for the actual Bible it is not only fascinating it is the life giving life saving life transforming Word of God so The Bible Blueprint is not a replacement for the Bible but it will whet your appetite to dig deeper into God s Book for yourself while giving you the confidence to do so **Truth for Life -**

White's Views** Dr. PP Jones, Th.D,2014-04-26 Decoding Jesus will forever change your view about Jesus John Calvin 1509 1564 and Ellen G White 1827 1915 though divergent in many ways shared a pivotal common denominator the Judeo Christian Bible from Genesis to Revelation as a major template from which they reflected on the close connectedness and radical difference of God human beings and the created environment Calvin encountered a theological conundrum He was unaware that one cannot hold on to the 16th century Reformation of employing the biblical historical time line from Genesis to Revelation as a reflexive scheme on God s four grand acts creation reconciliation the cross redemption renewal Pentecost Holy Spirit and fulfillment end of time whilst simultaneously embracing the classical first millennium Trinitarian view Karl Barth the great Swiss Reformed theologian of the early 20th century was aware of Calvin s conundrum Barth resolved that the dogma of the Trinity is not found in the Bible but should be used as a good dogma operating as the main starting pattern of one s theology How further can one go than Barth in giving the notion of the Trinity a biblical vote of no confidence White treaded softly around the Trinity notion Her vast ocean of voluminous writings is devoid of the word Trinity She visited Switzerland and having read Calvin s doctrines she most likely saw Calvin and the Reformation s contradiction concerning the dogma of the Trinity and wanted to avoid the same trap

The Model of Revelation Knowledge B. J. Sifon,2022-11-03 Have you ever wondered what you were before you were born or what will happen after you dematerialize away in death from this physical dimension Quite often one part of your mind tells you that after you die you are going to be judged by God and after the judgment you will spend the rest of your existence in an uncomfortable place called hell or a place of pleasure called heaven The question is how exactly did Christ

define our existence To understand our true nature we have analyzed many important statements made by Christ concerning this issue This nature reveals our true identities in the spirit what we really are what we are capable of where we came from and where we are heading As spiritual individuals we have also tapped into the realm of the spirit by making it substantial to get answers not just to everything in existence but also to things unheard of In this record the author reflects on his spiritual identity
