Hagin, **PRAYER STUDY COURSE SERIES** ISAIAH MACWEALTH, For hundreds of years the subject of prayer has been one with divergent views opinions and ideologies one that has engendered great dissention in the body of Christ with respect to its methodology and practices However what cannot be denied is the timeless passion and ageless desire in every man to communicate with a higher power and to initiate changes in every area of life This desire in man can be expressed in and through prayer but what is prayer Is prayer just talking to God as popularly defined If prayer is simply talking to God what would we call casting out devils and binding Satan Despite the fact that many people seem to pray why are so few getting the results Are there principles or rules that guide prayer Are there factors that hinder effectivity in it This book does not only seek to answer these questions above but to introduce new concepts in prayer that will create new prayer experiences It also seeks to explore the concept of prayer with the intention to break previous erroneously established boundaries that hinder its effectiveness and to equip the end time believer with the necessary understanding and light required for an effective prayer life and to ultimately equip the church in enforcing its rights and privileges in the place of prayer My heart desire for you as you read this book is that a fresh understanding and passion for prayer will be birthed in your spirit and that you will take your place in prayer for the body of Christ thus fulfilling the ministry of our Lord Jesus Christ on the earth Amen **Bible Faith Study Course** Kenneth E. especially those interested in the world of Faith theology and its impact on contemporary religious thought *A Different Gospel* Dan R McConnell,2011-12-22 The name it claim it theology of the Word Faith Movement is presented as biblical but is it In this compelling book McConnell documents the historical link between faith theology and New Thought metaphysics He then analyzes faith theology s doctrines of healing and prosperity as well as its understanding of the atonement of Christ to show how they deviate from biblical teaching This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell Softcover from Hendrickson
