James Tunstead Burtchaell

Biblical Inspiration:

Biblical Inspiration I. Howard Marshall, 2004 Is the Bible infallible Can we believe in its inspiration and practice biblical criticism How is the Bible to be interpreted for today I Howard Marshall's answers to these questions will be helpful to all biblical students who are puzzled and confused by current discussions of biblical inspiration and authority Biblical Inspiration will help to reassure conservative students regarding the value of critical study of the Bible and will clear away much misunderstanding that the conservative view of the Bible is obscurantist and unscholarly Inspiration Gerald O'Collins, 2018-06-21 Inspiration Towards a Christian Interpretation of Biblical Inspiration anchors its study of inspiration firmly in the Scriptures and examines the inspired nature of the Bible and its inspiring impact Gerald O'Collins begins by examining classical view of inspiration expounded by Karl Barth and Raymond Collins He takes up the inspired origin of the Old Testament where earlier books helped to inspire later books before moving to the New Testament which throughout shows the inspiring impact of the inherited Scriptures both in direct citations and in many echoes The work then investigates the Bible's inspiring influence on Christian worship preaching teaching the visual arts literature and life After a chapter that clarifies the interrelationship between divine revelation tradition and inspiration two chapters expound ten characteristics of biblical inspiration with special emphasis on the inspiring quality of the Bible O'Collins explains a major consequence of inspiration biblical truth and the grounds on which the Church canonized the Scriptures After spelling out three approaches to biblical interpretation the authorial intention the role of readers and the primacy of the text itself the book ends by setting out ten principles for engaging theologically with the Scriptures An epilogue highlights two achievements of the book By carefully distinguishing inspiration from divine revelation and biblical truth it can deliver readers from false problems This work also underlines the inspiring effects of the Scriptures as part of the Holy Spirit's work of inspiration *What Are They Saying about Biblical Inspiration?* Mark J. Zia, 2011 Six major scholars selected for their contributions in the study of biblical inspiration and who provide a veritable cross section of the diversity of viewpoints on this topic as found in Anglo American scholarship are surveyed *Evangelical Theories of Biblical Inspiration* Kern Robert Trembath, 1987 The inspiration of the Bible is central to Christian faith yet there is no general agreement on the nature of this inspiration The author analyses seven major evangelical explanations Biblical Inspiration and Christ Marvin R. Vincent, 1894 **Biblical Inspiration and the Authority of Scripture** Carlos R. Bovell, 2015-07-24 It has been some time since Catholic and liberal Protestant theologians stopped writing seriously on bibliology Meanwhile conservative evangelical theologians guard against the introduction of new ideas In an effort to make headway through this gridlock Carlos Bovell has commissioned a roundtable discussion on the prospect of whether the inspiration of Scripture might extend beyond authors and texts and if so what this might entail for the authority of Scripture Taken together the essays in this volume make an invaluable contribution to contemporary literature on the inspiration and authority of the Bible **Catholic Theories of Biblical Inspiration Since**

1810 James Tunstead Burtchaell, 1969-07-02 The Inspiration of Scripture Paul J. Achtemeier, 1980 Christians generally agree that the Scriptures are inspired and that this doctrine is of basic importance But how is the doctrine of inspiration to be understood and what does it mean for our Christian faith Paul Achtemeier shows how recent knowledge of the way the Scriptures were formed raises problems in regard to the traditional understanding of inspiration In response he presents possibilities for a new approach to inspiration that is compatible with recent critical discoveries and allows the Bible to continue to play a meaningful role He deals with liberal and conservative views specific contradictions in the Bible and what the Bible says about itself A perceptive study The Inspiration of Scripture proposes a view of inspiration that makes sense for today and probes its implications for the believer and the believing community **Inspiration, 8 lects. on the doctrine of biblical inspiration. Bampton lects., 1893** William Sanday, 1896 The oracles of God, 9 lects. on biblical inspiration William Sanday, 1891
