Beginning From Jerusalem Christianity In The Making Vol :

Beginning from Jerusalem James D.G. Dunn, 2009-03-16 Beginning from Jerusalem covers the early formation of the Christian faith from 30 to 70 C E After outlining the quest for the historical church parallel to the quest for the historical Jesus and reviewing the sources James Dunn follows the course of the movement stemming from Jesus beginning from Jerusalem He opens with a close analysis of what can be said of the earliest Jerusalem community the Hellenists the mission of Peter and the emergence of Paul Then Dunn focuses solely on Paul the chronology of his life and mission his understanding of his call as apostle and the character of the churches that he founded The third part traces the final days and literary legacies of the three principal figures of first generation Christianity Paul Peter and James the brother of Jesus Each section includes detailed interaction with the vast wealth of secondary literature on the many subjects covered

Beginning from Jerusalem James D G Dunn, 2020-03-20 Beginning from Jerusalem covers the early formation of the Christian faith from 30 to 70 C E After outlining the quest for the historical church parallel to the quest for the historical Jesus and reviewing the sources James Dunn follows the course of the movement stemming from Jesus beginning from Jerusalem He opens with a close analysis of what can be said of the earliest Jerusalem community the Hellenists the mission of Peter and the emergence of Paul Then Dunn focuses solely on Paul the chronology of his life and mission his understanding of his call as apostle and the character of the churches that he founded The third part traces the final days and literary legacies of the three principal figures of first generation Christianity Paul Peter and James the brother of Jesus Each section includes detailed interaction with the vast wealth of secondary literature on the many subjects covered **The Collected Papers of J. L. Moles - Volume 1** John Marincola, 2023-05-08 J L Moles 1949 2015 made fundamental contributions to the fields of ancient especially Cynic philosophy Greek and Roman historiography and biography Latin poetry and New Testament studies These two volumes gather together all of his major articles and reviews along with six previously unpublished papers The papers display Moles individual and sometimes iconoclastic approach his impressive range in both Classical and New Testament texts and his unrivalled abilities in close reading This is volume 1 *The Papacy and the Orthodox* Anthony Edward Siecienski, 2017 The Papacy and the Orthodox examines the centuries long debate over the primacy and authority of the Bishop of Rome especially in relation to the Christian East and offers a comprehensive history of the debate and its underlying theological issues Siecienski masterfully brings together all of the biblical patristic and historical material necessary to understand this longstanding debate This book is an invaluable resource as both Catholics and Orthodox continue to reexamine the sources and history of the debate [The Scandal of Evangelicals and Homosexuality](#) Mark Vasey-Saunders, 2016-03-09 English evangelicals give the appearance of being a community at war with each other and with the world around them The issue of homosexuality is one of the key battlegrounds How has this issue become so significant to evangelicals Why is it provoking such violent responses How is it changing evangelicals and what

might this mean for the future This book examines the history of evangelical responses to the issue of homosexuality setting them in a wider historical and cultural context and drawing on the work of Rene Girard to argue that the issue of homosexuality has come to symbolise deeply held convictions within evangelicalism The conflict over the issue that is now becoming apparent within evangelicalism reveals deep divisions within the evangelical community that will have great significance for the future The Scandal of Evangelicals and Homosexuality offers an alternative perspective seeking not to present an answer to the ethical question but rather to examine the way the debate has become scandalised and consider the cost It offers a window into contemporary English evangelicalism and provides an important contribution to international and ecumenical debate

To Live in the Spirit Nélica Naveros Córdova, CDP, 2018-11-29 To Live in the Spirit Paul and the Spirit of God brings to light a fresh understanding of the Greek concept spirit in Paul's ethical teaching Placing Paul and his mixed audience within the Hellenistic Jewish and Greek philosophical traditions of the ancient world this book examines his new message concerning's primary function in the acquisition of virtues and avoidance of vices Looking in detail at the various ways in which Paul views in his seven undisputed letters Naveros Córdova explores's development from Paul's initial ethical reflections in his early letters to a more mature view in his later letters Naveros Córdova argues that it is within these traditions represented by major Hellenistic Jewish and Greco Roman writers that Paul construes the framework of his ethical teaching Paul finds in the power of God's a new ethical alternative for his mixed audience to living lives pleasing to God outside the observance of the Mosaic Law Naveros Córdova demonstrates how Paul draws upon Platonic immaterial and Stoic material language that would have been familiar to his hearers in the early Christian communities to create a persuasive understanding of ethical performance and to show that the moral life of the believers springs from that received from God In his efforts to highlight's central role in his ethics Paul moves beyond both traditions by describing the Christification of not only in Stoic terms but also in Middle Platonic categories of the first century CE Bullies and Saints John

Dickson, 2021-05-11 Is the world better off without Christianity Combining narrative with keen critique of contemporary debates author and historian John Dickson gives an honest account of 2 000 years of Christian history that helps us understand what Christianity is and what it's meant to be To say that the Christian Church has an image problem doesn't quite capture it From the Crusades and the Inquisition to the racism and abuse present in today's Church both in Catholic and Protestant traditions the institution that Christ established on earth has a lot to answer for But the Church has also had moments throughout history when it has been in tune with Jesus teachings from the rise of charity to the invention of hospitals For defenders of the faith it's important to be able to recognize the good and bad in the church's history and be inspired to live aligned with Christ For skeptics this book is a thought provoking introduction to the idea that Christianity is despite all an essential foundation of our civilization Bullies and Saints will take you on a big picture journey from the Sermon on the Mount to the modern church Giving contextual accounts of infamous chapters of Christian history such as the

Crusades and acknowledging their darkness Outlining the great movements of the faith and defending its heroes and saints some of whom are not commonly recognized Examining the Church beside the teachings and life of Jesus and how it has succeeded in its mission to imitate Christ *The Fate of the Apostles* Sean McDowell,2024-12-17 The Book of Martyrs by John Foxe written in the sixteenth century has long been the go to source for studying the lives and martyrdom of the apostles While other scholars have written individual treatments on the more prominent apostles such as Peter Paul John and James there is little published information on the other apostles In *The Fate of the Apostles* Sean McDowell offers a comprehensive reasoned historical analysis of the fate of the Twelve disciples of Jesus along with the apostles Paul and James the brother of Jesus McDowell assesses the evidence for each apostle s martyrdom as well as determining its significance to the reliability of their testimony The question of the fate of the apostles also gets to the heart of the reliability of the kerygma Did the apostles really believe Jesus appeared to them after his death or did they fabricate the entire story How reliable are the resurrection accounts The willingness of the apostles to die for their faith is a popular argument in resurrection studies In this thoroughly updated new edition McDowell offers insightful scholarly analysis of this argument to break new ground within the spheres of New Testament studies Church History and apologetics *The Departure of an Apostle* Alexander N. Kirk,2015-11-05 What was Paul s attitude toward his own death How did he act and what did he say and write in view of it What hopes did he hold for himself beyond death Alexander N Kirk explores these questions through a close reading of four Pauline letters that look ahead to Paul s death and other relevant texts in the first two generations after Paul s death AD 70 160 The author studies portraits of the departed Paul in Acts 1 Clement the letters of Ignatius Polycarp s letter To the Philippians and the Martyrdom of Paul He also examines portraits of the departing Paul in 1 and 2 Corinthians Philippians and 2 Timothy arguing that Paul s death did not primarily present an existential challenge but a pastoral one Although touching upon several areas of recent scholarly interest Alexander N Kirk sets forth a new research question and fresh interpretations of early Christian and Pauline texts **Jesus Incognito** Martien E. Brinkman,2013 In this book Martien Brinkman explores the Jesus incognito as found in Western film literature and the visual arts since 1960 His interest here is focused primarily on indirect references to the Jesus figure To his surprise he found an abundance of allusions to Jesus in key figures in modern art This confirmed his view that film literature and the visual arts make a substantial contribution even in secular Western culture to continuing reflection on Jesus significance Brinkman finds important characteristics of a hidden Christ in films by Gabriel Axel Ingmar Bergman Krzysztof Kieslowski and Lars von Trier novels by Peter De Vries J M Coetzee and Arnon Grunberg poems by Les Murray and Czeslaw Milosz and paintings by Andy Warhol Harald Duwe and Frans Franciscus He defines a hidden Christ as a fictional human individual who can be seen as a new embodiment of the meaning that can be attributed in the present to the biblical figure of Jesus The hidden Christ is therefore a contemporized Jesus figure This book will be of interest for everyone who shares Brinkman s quest for this Jesus incognito
