Annabel Beerel, 2019-12-05 This book is a very practical guide to help managers put their own and their employees
professional values to work Through real life stories and case studies the author brings to life and light the ethical challenges
that present themselves in corporate and institutional settings The reader gets to see that ethics lies not only in the big
dramatic defining moments but in the everyday behaviors of people as they work together in the service of organizational
goals The text is punctuated with summaries exercises and opportunities for reflection where the reader has an opportunity
to review their own ethical frameworks and to see how these show up in the daily choices they make Ideas are provided to
help managers coach their employees to strategize around ethical issues how to communicate their views with clarity and
conviction and how to find support in the organization to tackle difficult issues
