Bell, Book and Candle, 1952 *Bell, Book and Candle* John Van Druten, 1956 Gillian Holroyd is one of the few modern people who can actually cast spells and perform feats of supernaturalism She casts a spell over an unattached publisher Shepherd Henderson partly to keep him away from a rival and partly because she is attracted to him He falls head over heels in love with her at once and wants to marry her But witches unfortunately cannot fall in love and this minute imperfection leads into a number of difficulties Ultimately the lady breaks off with her companions in witchery preferring the normal and human love offered her by the attractive publisher But before the happy conclusion of the romance Gillian comes very near to losing him but doesn't *Bell, Book and Candle* John Van Druten, 1951 THE STORY Gillian Holroyd is one of the few modern people who can actually cast spells and perform feats of supernaturalism She casts a spell over an unattached publisher Shepherd Henderson partly to keep him away from a rival and partly because **Bell, Book & Candle** , Bell, Book and Candle JOHN W. VAN DRUTEN, 1952 *The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950* George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries *Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
