TRANSLATION

Those who are situated in the mode of goodness, who neither hate auspicious work nor are attached to auspicious work, have no doubts about work.

PURPORT

It is said in Bhagavad-gītā that one can never give up work at any time. Therefore he who works for Kṛpṇa and does not enjoy the fruitive results, offers everything to Kṛpṇa, is actually a renouncer. There are many members of the International Society for Krishna Consciousness who work hard in their office or in the factory or some other place, and what they earn they give to the Society. Such highly elevated souls are really sannyāsīs and are situated in the renounced order of life. It is only outlined here how to renounce the fruits of work and for what these fruits should be renounced.
