Bi Any Other Name Bisexual People Speak Out:

Bi Any Other Name Loraine Hutchins, 2010-11-26 In this groundbreaking anthology over seventy women and men from all walks of life describe their lives as bisexuals in prose poetry art and essays Bisexuality and Transgenderism Fritz Klein, Karen Yescavage, Jonathan Alexander, 2012-12-06 Explore the common ground and the important differences between bisexuality and transgenderism This book guaranteed to provoke debate and discussion of sexuality and gender is the first devoted exclusively to the relationship between transgenderism and bisexuality Combining the work of scholars and activists professional writers and lay people Bisexuality and Transgenderism InterSEXions of the Others presents ideas thoughts feelings and insights from a variety of contributors who are committed to understanding and deepening our understanding of gender and sexuality You will find scholarly essays narratives poetry and a revealing interview with four male to female transsexuals two of whom are married to women who also participate in the discussion In addition the book includes insightful chapters by well known advocates of transgenderism including Jamison James Green Coralee Drechsler and Matthew Kailey The editors of Bisexuality and Transgenderism InterSEXions of the Others make the provocative but crucial claim that the larger queer community looks at B and T lives as mere add ons to L and G In this book they focus attention on bisexuality and transgenderism moving the margins to center stage and exploring how sexuality gender desire and intimacy are constructed and circulate in our society The book's inclusion of voices and scholarship from Eastern cultures challenges our understanding of sexuality and gender constructions all the more giving this collection a global scope Here is a sample of what Bisexuality and Transgenderism InterSEXions of the Others examines biphobia and transphobia within the United States gay and lesbian community the bi trans and subversive aspects of the works and images of cultural icons Angelina Jolie and Sandra Bernhard how bisexual and transgendered identities are socially constructed through relationships the false promise of homosexual play why the concepts of postmodern sexuality fail to rewrite the construction of gender why swingers who practice bisexual and transgender behavior are often disdained and marginalized by other GLBT people suicidal thoughts and other mental health concerns of bisexual males and females as well as transgender people Eastern perspectives on sexual gender identities with revealing chapters on gender identity in Japan and Indonesia Current Research on Bisexuality Ronald Fox, 2013-04-03 Current Research on Bisexuality is an important resource on recent psychological and sociological findings in bisexual studies The authors provide research findings and case studies that add to our understanding of bisexual identity bisexuality and relationships bisexuality and ethnicity and attitudes toward bisexual people This book examines research findings literature reviews and a wealth of resources that currently exist on bisexuality and bisexual issues This book will bring you up to date on bisexual identity development bisexuality in college students cross orientation friendships of bisexual women bisexual married women and men and their spouses bisexuality and heterosexually married couples monogamous as well as open bisexual relationships the interrelationship of bisexuality race and ethnicity

attitudes toward bisexual women and bisexual men Current Research on Bisexuality also contains a comprehensive reader's guide to the current social science literature about bisexuality This bibliography brings together a wide range of nonfiction books journal articles book chapters theses and dissertations on bisexuality with a focus in the theoretical research clinical and community perspectives that have developed in the last twenty years This reading list is essential for students educators researchers and practitioners in psychology counseling social work psychiatry education sociology and anthropology Current Research on Bisexuality provides new knowledge of the life experiences of bisexual people With this book you'll find a basis for further research and education about bisexuality in the greater context of ongoing research education and advocacy regarding lesbian gay bisexual and transgender issues

Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Gender, Sexuality, and Meaning Sally McConnell-Ginet, 2011-02-15 A dozen of Sally McConnell Ginet's essays on language gender and sexuality

Adventures in Lesbian Philosophy Claudia Card, 1994 Features discussions of S M sex lesbian ethics lesbian desire bisexuality and includes a bibliography of lesbian criticism This work contains essays that explore the diverse positive understandings of lesbian philosophy from contested sexual behaviours such as pornography and sadomasochism to the meaning of lesbianism

Bisexuality in the Lives of Men Erich W Steinman, Brett Genny Beemyn, 2014-06-03 Explore the theoretical political psychological and cultural issues surrounding male bisexuality Bisexuality in the Lives of Men is the first anthology to focus on men who love both men and women The theoretical scientific and literary essays in this landmark volume dispel the fictions that bisexual men are greedy promiscuous confused deceptive unfaithful HIV positive the dominant images of bisexual men in our culture Whether portrayed as a coward who can't quite come out into full gayness or a smooth talking serial killer the bisexual man has been vilified in books and movies In scholarly studies they are often ignored or else lumped together with gay men It is now widely acknowledged that human sexuality is

more complex and diverse than the narrow categories gay and straight But while the use of the term bisexual has become much more common in the last decade an understanding of bisexuality itself lags far behind A lack of research on how bisexuality is experienced interpreted and encoded in literature film and other aspects of popular culture means that stereotypes stigma and confusion are still prevalent *Bisexuality in the Lives of Men* is a multidisciplinary examination of this neglected topic bringing together expertise reflecting divergent approaches and fields to show the whole bisexual man Topics include a thoughtful review and analysis of the public health research on the role of bisexual men in HIV transmission a study of the marital consequences of a husband's bisexuality including couples who have stayed together an analysis of the heartfelt discussions taking place in an online bi male community an empirical study of the ways that bi negativity differs from homophobia an essay bringing together queer theory and social constructionist ideas to explain why bisexual men are much less visible than bisexual women The rigorously analytical yet accessible essays in this volume offer new information and perspectives about male bisexuality *Bisexuality in the Lives of Men* is an essential resource for anyone interested in the theoretical political and cultural issues of male bisexuality

Sexualities and Communication in Everyday Life Karen E. Lovaas, Mercilee M. Jenkins, 2007 Excerpts from foundational work recent journal articles and pieces written for this text about the role of communication in the construction and performance of sexualities in interpersonal contexts and public discourses

Encyclopedia of Lesbian and Gay Histories and Cultures George Haggerty, Bonnie Zimmerman, 2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public

Bisexual Spaces Clare Hemmings, 2013-11-12 A largely unexplored area this is an innovative and original examination of bisexual spaces as places that are defined by both geographical boundaries and cultural significance Hemmings applies the ideas of queer theory as well as social and cultural geography in her fascinating investigation into the spaces and places of bisexual life Specifically focusing on Northampton MA and San Francisco she draws on interviews with community members and the town histories showing how and why they have developed into safe places for the gay lesbian and bisexual communities By mapping out a space of bisexuality *Bisexual Spaces* provides a new and provocative understanding of the concept
