Bible Reliability Birthing The Nation Of Israel:

Bible Reliability: Birthing the Nation of Israel James Gregory, 2014-12-23 This book explores Bible reliability in terms of Egyptian history It also includes the value of the Law provided from God through Moses in terms of environmental and medical science In the past critics have claimed that the Bible is inaccurate in matching Egyptian history Now there is strong evidence the Egyptian history timeline needs to be revised With this revised dating of the Egyptian 12th Dynasty Bible information matches well with Egyptian history from Abraham to Moses The Law matches well with modern medical science for control of infectious diseases The Law also gives instructions for dealing with the management of mildew that too matches modern technology The instructions for disposal of human waste match recommendations from modern science for primitive conditions

Bible Reliability James M. Gregory, 2020-11-26 **Bible Rhymes: Fifty Two Poems with Commentary** James Gregory, 2015-02-22 If you have trouble reading the Bible from beginning to end this book is your solution Each of the 52 poems in this collection describes a Bible event person or message Each poem is simple easy to read and provides focus on a biblical topic The rhythm of a poem increases both interest and long term retention of message Thought provoking and in depth message content enhance the value of each poem Furthermore many of the poems provide encouragement for living life with a purpose and to the fullest With 52 poems this book can be used as a yearly devotional or Bible study with one poem or message per week Topics include creation salvation treasures in heaven and many more Because poems and topics range across both the Old and New Testaments this book provides a brief overview of the Bible The Bible verses on which each poem is based are provided along with commentary about the Bible information

Ancient Israel in Egypt Daniel Tompsett, 2023-02-07 This book looks back over thousands of years to explore the period in Egyptian history when the Bible identifies that Ancient Israel was resident in Egypt It asks and answers one very simple question What new things can we learn about this period of history if we treat the Bible as a valid historical document Whereas this topic is often approached from either the perspective of the Bible or Egyptology this work genuinely attempts to occupy the ground between the two It uses Scripture like a torch carried into the deepest recesses of the established historical facts and theories concerning the late Middle Kingdom period the Second Intermediate period and the early New Kingdom period in Egyptian history Along the way it considers some of the latest discoveries innovations and theories from the world of Egyptology and unearths a trove of tangible points of connection As such the narrative forms a two way perspective where the biblical account illuminates stubbornly opaque moments in Egyptian history and chronology and where the meticulous work of Egyptologists provides appropriate additional background to the Bible The result is a sharper perspective of an ancient account that has a surprisingly current application for us all

Shining Light on God's Word through Poems James Gregory, 2016-01-05 If you have trouble reading the Bible from beginning to end this book is your solution Each of the 52 poems in this collection describes a Bible event person or message Each poem is simple easy to read and provides focus

on a biblical topic This book of poems features both Christmas and Easter sections Poems range from Creation to Revelation

The Marriage of Science and the Bible David Berg, 2020-05-04 The Marriage of Science and the Bible is an adventure in new concepts I invite you to explore them with me We will investigate God's scientific credentials We will witness his authority over physical science We will see how he is applying the logic of science to human history Our Creator introduced the scientific method Examining his predictions hypotheses we can judge their accuracy across 4 000 years of human history Evaluate use of science of history Begin with secrets of the universe revealed long before modern satellites Inspect a mathematically specific prediction of the coming of Jesus Christ Does the Creator speak in absolutes Does absolute truth exist Consider the complexity of predicting the themes of history and future events No man can do it Recognize the unparalleled importance of God's expansion of science Discover Jesus's description of biblical biology biblical physics and biblical chemistry in God's design for human life Consider why the availability of the Bible in the languages of Northern Europe resulted in the birth of modern science Follow the flaw in human philosophy to Darwin's theory Is it important that astrophysicists are linking the biblical account of creation with twentieth and twenty first century scientific discoveries Personally confirm the science of history by viewing God's hypotheses and current events in Israel Discover the purpose of human history It's an adventure in reality

A Bible-Based Chronology from the Creation to the Second Advent of Jesus Christ Jim Dodge, 2018-11-09 The Scriptures reveal that when we enter the latter days we'll find ourselves in an increasingly chaotic world where godlessness and lawlessness rule the day During this time God's word will be neglected and twisted for self-serving agendas truth will become subjective and relative and entertainment idolatry liturgy and rituals will replace the Lord Jesus from being the central focus of worship in mainline churches In this Bible-based chronology the author examines where we are on God's timeline and more importantly why it's not too late to benefit from God's incredible message of creation redemption and eternal life Importantly for these end times the Bible contains an amazingly accurate timeline dating from the Creation to the Second Coming It's been intentionally hidden but specific windows of time highlight the latter days Celebrate God's imminent return and learn about the specific generation that will see all these things before it passes away so that we as children of light should not let the day of the Lord's return overtake us as a thief in the night

The Messianic Credentials Lee Kah Wor, 2020-04-07 Some of the contents in this series may be too graphical and not suitable for children Parental discretion is advised This book serves as a documentation of what a recipient of the mercy and grace of Elohim has found convincing from His written Word God is love I have the utmost respect for the gift of free choice from the loving Father God This is the first of five volume series on The Messianic Credentials It is not about what the right choice should be It would be ludicrously futile to debate over such a thing as it is a matter of perception In the process of putting this series together I realized that God Elohim did not write what we like to hear He wrote what we need to hear This is because love corrects Proverbs 3 12 and Hebrews 12 6 And God is love 1 John 4 8 and 1 John 4 16 He wrote the Bible out of His Spirit of love In view of the above I have written this series to relay that same Spirit It is an appeal to consider reunion with God the loving Father from the perspective of the salvation wrought through Christ crucified The love of God will bring about a change in perspective In the words of Romans 2 4 it is the kindness of God that leads to repentance As a caveat this series is to be read with an open mind It is meant to present the state of things from a Biblical perspective with no malicious and derogative intent Any perception to the contrary is highly unfortunate and or regrettable Among other things this volume examines the following notions 1 Disasters are acts of God 2 God helps those who help themselves 3 Life and death is in the hands of God and 4 Every man with a mustache is a father jau5 wu4 sou1 zau6 hai6 lou5 dau6 The above are just some common perception of God The last bits is about men God sent the flood to destroy the ancient world He also sent the Ten Plagues on ancient Egypt Why would God Who is love do that Is there an underlying rationale behind that apparent anomaly As an Omniscient God why did He place the forbidden tree in the Garden when He already knew Adam would eat from it Similarly why did God create Lucifer knowing well that he would rebel against Him Since God foreknew that both Adam and Lucifer would fall how can He then blame them In this first volume we will take a closer look at all that In addition you will 1 Know what is really meant by sin It s not about right doing 2 Appreciate how knowing the true meaning of sin will deepen the gratitude for the gracious love of God Hence the Law leads to Christ 3 Witness how Eve demonstrated the danger of knowing God based on hearsay 4 Look at how evil has been made God and God evil Romans 1 18 5 See a graphical representation of the origin of sin and the cycle of sin 6 Trace the current ills of the earth right back to its source 7 Gain insight into how the Law leads to Christ from the example of the apostle Paul 8 Understand the detailed mechanics of crucifixion and therein get a sense of what the Lord went through to redeem us 9 Extract the pertinent points of Peter s sermon which effectively summarized what is meant by faith comes from hearing and hearing the message

concerning Christ Romans 10 17 10 Marvel at how our hero Jesus Christ has broken the sin cycle 11 Tap into the wisdom of God to see the future as pre written history and 12 Get to receive the most precious gift of your life God has in times past foretold what the Christ would do Hebrews 1 1 3 Along came this man by the name of Jesus from Nazareth He did everything that God said that the Christ would do What does that tell us Jesus of Nazareth is the Christ Hence the more we hear of how Jesus of Nazareth had done what God said the Christ would do faith in Him as the Christ arises faith comes This series focuses on the evidence God has provided to prove that Jesus of Nazareth was the Promised Messiah with emphasis on His humanity aspect The first volume of this series plays a preparatory role just as how John the Baptist announced the arrival of the Promised Messiah It is to prepare the heart to receive the love of Father God as demonstrated by Christ crucified Against this backdrop I invite you to approach this series with an open mind You may just find the perfect match for that earnest yearning in the deepest recess of your heart Looking forward to meeting with you in the word *The Destiny of Israel and the Church* Derek Prince, 2016-07-07 Israel is at the center of a powerful clash of forces but God has established firm covenants with both Israel and the church The only reliable source of light upon the situation in the Middle East is provided by God s prophetic Word If we do not seek the light that comes from this source we will inevitably find ourselves in the dark subject to confusion and deception The church had its origin within Israel but over the centuries the destinies of the two groups have diverged widely until now An exciting feature of our time is that the destinies of Israel and the church are once again beginning to converge This God ordained convergence will produce the most dramatic and significant developments in all of human history In *The Destiny of Israel and the Church* renowned Bible teacher Derek Prince explores the answers to these questions and more Has the church replaced Israel in God s plan Why is the tiny nation of Israel the focus of world attention What is the restoration of Israel What is the responsibility of Christians toward Israel
