International Perspectives on the Teaching of Literature in Schools Andrew Goodwyn, Cal Durrant, Louann Reid, Lisa Scherff, 2017-08-31 Literature teaching remains central to the teaching of English around the world This edited text brings together expert global figures under the banner of the International Federation for the Teaching of English IFTE The book captures a state of the art snapshot of leading trends in current literature teaching as well as detailing predicted trends for the future The expert scholar and leading teacher contributors coming from a wide range of countries with fascinatingly diverse approaches to literature teaching cover a range of central and fundamental topics literature and diversity digital literatures pedagogy and reader response mother tongues the business of reading publishers adolescent fiction and censorship assessing responses to literature the changing definitions of literature and multimodal texts The collection reviews the consistently important place of literature in the education of young people and provides international evidence of its enduring value and contribution to education resisting the functionalist and narrowly nationalist perspectives of misguided government authorities International Perspectives on the Teaching of Literature in Schools will be of value to researchers PhD students literature scholars practitioners teacher educators teachers and all those in the extensive academic community interested in English and literacy around the world

Teaching Secondary English Daniel Sheridan, 2013-03-07 This new edition of Teaching Secondary English is thoroughly revised but its purpose has not changed Like the popular first edition it balances content knowledge with methodology theory with practice and problem posing with suggested solutions The tone and format are inviting while addressing student readers on a professional level Rather than attempting to cover everything the text provides a framework and materials for teaching a secondary English methods course while allowing considerable choice for the instructor The focus is on teaching literature writing and language the basics of the profession Attention is given to the issues that arise as one seeks to explore what it means to teach English The problems and tensions of becoming a teacher are discussed frankly in a manner that helps students figure out their own attitudes and solutions Features Focuses on a few central concepts in the teaching of secondary English Provides an anthology of 22 readable and challenging essays on key topics allowing students to hear a variety of voices and opinions Includes an applications section for each reading that extends the discussion and asks students to explore problems and grapple with important issues related to the articles Offers short writing assignments in questions that follow the readings and in brief writing tasks in the applications and a longer writing assignment at the end of each chapter Addresses student readers directly without talking down to them New in the Second Edition This edition is shorter tighter and easier to use The opening and concluding chapters more directly address the concerns of new teachers The anthology is substantially updated of the 22 articles included 14 are new to this edition Each essay is preceded by a brief introduction and followed by questions for further thought There are fewer applications but these are more extensive and more fully integrated within the text A writing

assignment is provided at the end of each chapter Interviews with college students before and after student teaching are included in Chapters 1 and 6 The bibliographies at the end of each chapter are fully updated *Deep Change* Gerald Ponder,David Strahan,2005-11-01 This book presents cases of schools Part One and programs at the district level and beyond Part Two in which reform while driven by high stakes accountability became larger and deeper through data driven dialogue culture change organizational learning and other elements of high performing cultures Commentaries on cross case patterns by Ann Lieberman and Michael Fullan and a chapter on now what first steps provide implications for initiating deep change that results in improved student learning outcomes even in challenging activity settings **International Books in Print** ,1997 **Resources in Education** ,1992 The Ohio Teacher ,1910 **Paul, John, and Apocalyptic Eschatology** Jan Krans,L.J. Lietaert Peerbolte,Peter-Ben Smit,2013-02-15 These studies in honour of Martinus C de Boer offer important backgrounds and new insights by leading New Testament scholars on Paul John and Apocalyptic Eschatology Primary Plans ,1913 Normal Instructor ,1915 *Country Guide and Nor'west Farmer* ,1927
