2007 Microsoft Office System Margaret L. Niess, John Lee, 2008-11-24 The 2007 Office release is more than just a businessperson's tool. Its suite of integrated applications can be a powerful tool for teachers both to teach computer skills and to augment the learning experience in many subject areas whose usefulness goes far beyond the office. This book familiarizes you with the software and shows you new ways to utilize the technology in your classroom. *Book Jacket* **Microsoft Word Simple Projects** Eric LeMoine, Jan Ray, 2001-02 Projects for language arts, social studies, science, and math. Provided templates can be modified to meet specific needs. Project samples also provided. **mRNA Therapeutics** Sarfaraz K. Niazi, 2022-12-06 This book is the most comprehensive and complete treatise on nucleic acid therapeutic products including mRNA vaccines, their manufacturing formulations, and testing for safety and efficacy. Details include cGMP compliant manufacturing and regulatory filing steps. A new concept of biosimilar mRNA vaccine is presented to secure fast approval of copies of mRNA vaccines. Projections of financial plans to establish RNA manufacturing facilities are provided along with details of supply chain management. Finally, the future of nucleic acid products in gene therapy and other newer applications is presented along with a perspective that all new vaccines will be the nucleic acid type that will further provide first-time prevention of autoimmune disorders. It is projected that both big pharma and start-ups will enter this field, and we can expect significant additions to our drug armamentarium soon. *The IACUC Administrator's Guide to Animal Program Management* William G. Greer, Ron E. Banks, 2016-02-22 The IACUC Administrator's Guide to Animal Program Management supports IACUC administrators who assist with developing, managing, and overseeing a program of animal care and animal use. It provides many options and possibilities for specific operational practices, e.g., how to build a well-functioning IACUC, what a functional protocol template. **Understanding Government Information** Connie Hamner Williams, 2017-10-30 This book demonstrates how government information can be used to engage students through inquiry and project-based activities, thereby providing opportunities for creative investigation and discovery. Many government agencies and institutions provide educators with curricula, lesson plans, data, and direction, all of it free. But to access this largely hidden world of government information, one needs an understanding of how this government information is organized and knowledge about how to best utilize the findings, aids, databases, and other search mechanisms to help guide effective research. This guidebook shows you how to locate high-quality, effective lesson plans developed by the nation's best educators, access reliable government data, and find curated lists of free government sources that are theme-based and reference national standards in social studies and health. *Understanding Government Information: A Teaching Strategy Toolkit for Grades 7-12* is ideal for middle school and high school librarians and teachers in all subject areas, public youth services librarians, as well as parents teaching their students in home-school-based programs. You'll learn how to access expert-developed lesson plans, documents, images, and other primary sources along with suggested activities. The book also includes a teacher toolkit that details strategies for lessons.
