Avicii You Make Me Actors:

The most important person is you Natalie Breimaier, 2024-12-12 We always find reasons not to like ourselves or to feel that we are not good enough Sometimes we are too fat then too unsportsmanlike then again too worthless compared to others Why do we often treat others better than ourselves To perceive oneself as the most important person has nothing to do with selfishness but with healthy self love Because only when you love yourself unconditionally can relationships work But that s easier said than done This guide shows you how to find yourself in a variety of ways Numerous exercises and examples help as does the empathetic writing style of the author who draws on personal experiences to engage the reader No More Waiters John Rodriguez, 2015-11-30 WARNING This book is NOT for Hobby actors or wanna bes It s for PROFESSIONALS ONLY and is priced accordingly THERE ARE TWO KINDS OF ACTORS Those who bring the check to the table and Those Who GET THE CHECK In The Mail Which do YOU Want To Be Dear Fellow Talented Actor You don t realize this now but in the next few minutes you re going to re think everything our teachers taught us about The Acting Thing If you re anything like me you got out of school ready to be a successful actor and use your talents performing for eager audiences on TV Film or in the Theater Do you remember what it felt like to dream about your life and what being an actor meant to you I remember and I thought I was ready And Then REAL ACTOR LIFE HIT Everyone says that the Acting Business is tough and that your chances of making a full time income are slim because in real life you need to be to make money while you build your dream career And that s why 95% of Actors Quit The Business Before They Turn 30 Years Old Because unless mommy and daddy are paying the bills you ll get a job and by the time you re done working you re too tired to focus on your career That s where I was broke frustrated and doing shows for my friends and family The SAME friends and family Sound familiar When did our teachers tell us that we would be doing all these things that have NOTHING to do with acting Waiting tables Temping at an office Living with 5 roommates just to pay bills Begging your parents for money Never getting auditions because you re too busy working We were taught that if we just continued to hone our craft and get good then we would be discovered by someone right But guess what that s not true In the real world you need to support yourself while you hone your craft and learn how to live as an actor to be an actor And most people never make it If you re like I was you re dreaming about sharing your gift and getting the accolades you deserve You re working with some amazingly creative people and doing work that inspires fulfills and entertains you and others But isn t This What Our Teachers Taught Us Take classes get BACKSTAGE every week and get a job waiting tables or bartending If that doesn t work in a short while get more schooling meet the right people and maybe that ll work If not teach acting Don t get me wrong the teachers that have taught us how to ACT are great They Taught Us How To ACT But Not How To BE A SUCCESSFUL ACTOR And there s a big difference My friends who were far more talented than me and had degrees from acting schools were starting to quit They were getting older and they started saying things like I just can t stand being broke anymore I had a desk job myself and I was about to

throw in the towel too I Was Broke Frustrated and Going Nowhere In My Acting Career This book describes how I went from Failure to Full Time Actor and how YOU can do it too After I did what I describe in this book I STARTED MEETING AGENTS GOING ON AUDITIONS and BOOKING ACTING WORK And my family started seeing me on TV My mom actually started telling people that I was an actor instead of being embarrassed and proudly asking Have you seen my child on TV And my neighbors saw me on TV And they would stop me in the street Hey I saw you and I told everyone that I knew you You see once I got free of spending most of my time trying to make money to live on I could do what I ACTUALLY wanted to do I get to PERFORM all the time and not worry about the money Nobody asks Are you still TRYING to be an actor when you re making money So Now I ve Put Everything I Learned Into A Quick Easy Book For Talented Actors Who Want To Quit Their Day Jobs and Go Full Time Too No More Waiters How To Build Your Acting Business WITHOUT A Day Job *The Complete Idiot's Guide to Acting* John Malone,Paul Baldwin,2001-06-01 You re no idiot of course You ve got tons of talent but when it comes to bringing it centerstage you feel like you re just winging it You love the smell of the greasepaint and the roar of the crowd but you re not sure how to follow your dream Don t overreact The Complete Idiot s Guide to Acting will help you hone your thespain skills and step into the limelight In this Complete Idiot s Guide you get Auditioning etiquette and tips on making a strong impression Rehearsal rigor from read throughs and blocking to taking stage directions and dealing with backstage gossip Tips on balancing theatrics with other obligations like school work and your family Tons more reasons why acting is important from how it affects your everyday life to how it could help get you a scholarship or a promotion The Warner Loughlin Technique Warner Loughlin,2018-01-30 For the first time in print comes the revolutionary acting technique from the premiere acting coach of our era Not a copy of the old masters The Warner Loughlin Technique empowers the actor to create rich nuanced and unique characters Discover the technique used to help create some of the most remarkable performances of our time from actors such as Amy Adams Ryan Reynolds Kyra Sedgwick and countless other Oscar Emmy Golden Globe Tony and Grammy nominees and winners Loughlin debunks the myth of the tortured actor and guides you step by step through her groundbreaking technique revealing powerful ways to unlock your creativity in a psychologically safe way Her insight into life and art is remarkable The Warner Loughlin Technique changes the way acting will be taught for generations to come Find out more at warnerloughlin.com I was able to find my voice and to find tears and to find levels because I was able to have a safe place to go that I could come back from With your technique in character prep when I visit a character s life her past and create an event good or tragic that belongs to her I don t take ownership of that pain with me I don t take it on as my own So this allows me not to be scared to go there which allows me freedom as an actress to do anything because I don t own it It belongs to my character Amy Adams Working with Warner was a revelation I doubted that I could ever work without observing and judging every moment I will be forever grateful to Warner for helping me get back to the joy of living in the spontaneous truth of every scene Kyra Sedgwick I ve been working with Warner Loughlin for years

Not only has she helped me become a better actor but she's also helped me truly enjoy this work in ways I never imagined. Ryan Reynolds: Before I started working with Warner on the technique I felt like acting was just something that I could some days do and some days not do. It was only through doing deep emotion with detail on each of the characters I got that I could act everyday how I wanted to because I ended up knowing the character inside and out. The thoughts are no longer my own but the characters so I don't have to work as hard during the scenes. Now being on set and being the character is fun and never feels pushed. I love the technique and it has helped me immensely. Sosie Bacon: I met Warner over 10 years ago. She has coached me through comedy, drama and even life. She has not only given me tools to be better at my job but tools to be 100% confident through the process. Emma Roberts: Warner's Technique has become part of my creative process. It's simply the most intuitive way for me to find a character's base human emotion. Warner worked with us on Disney's Frozen for many months and helped us create truthful characters. I've never felt so comfortable animating a character before and I think the sophistication in the performance in the film speaks for itself. Lino DiSalvo: Head of Animation for Disney's Frozen.
