Aw Tozer S:

The Pursuit of God A. W. Tozer, 2018-09-05 In this hour of all but universal darkness one cheering gleam appears within the fold of conservative Christianity there are to be found increasing numbers of persons whose religious lives are marked by a growing hunger after God Himself They are eager for spiritual realities and will not be put off with words nor will they be content with correct interpretations of truth They are athirst for God and they will not be satisfied till they have drunk deep at the Fountain of Living Water This is the only real harbinger of revival which I have been able to detect anywhere on the religious horizon It may be the cloud the size of a man s hand for which a few saints here and there have been looking It can result in a resurrection of life for many souls and a recapture of that radiant wonder which should accompany faith in Christ that wonder which has all but fled the Church of God in our day But this hunger must be recognized by our religious leaders Current evangelicalism has to change the figure laid the altar and divided the sacrifice into parts but now seems satisfied to count the stones and rearrange the pieces with never a care that there is not a sign of fire upon the top of lofty Carmel But God be thanked that there are a few who care They are those who while they love the altar and delight in the sacrifice are yet unable to reconcile themselves to the continued absence of fire They desire God above all They are athirst to taste for themselves the piercing sweetness of the love of Christ about Whom all the holy prophets did write and the psalmists did sing There is today no lack of Bible teachers to set forth correctly the principles of the doctrines of Christ but too many of these seem satisfied to teach the fundamentals of the faith year after year strangely unaware that there is in their ministry no manifest Presence nor anything unusual in their personal lives They minister constantly to believers who feel within their breasts a longing which their teaching simply does not satisfy I trust I speak in charity but the lack in our pulpits is real Milton s terrible sentence applies to our day as accurately as it did to his The hungry sheep look up and are not fed It is a solemn thing and no small scandal in the Kingdom to see God s children starving while actually seated at the Father s table The truth of Wesley s words is established before our eyes Orthodoxy or right opinion is at best a very slender part of religion Though right tempers cannot subsist without right opinions yet right opinions may subsist without right tempers There may be a right opinion of God without either love or one right temper toward Him Satan is a proof of this **A.
