Simple Knits for Cherished Babies Erika Knight, 2015-11-26 Simple Knit for Cherished Babies is the best selling baby knits title in the world and is now available in a new smaller format. Her designs in pure yarns such as merino wool, silk, and cashmere are not only marvellously soft and gentle for a new baby's delicate skin, they are absolutely modern in feel while retaining as their core inspiration the best of baby's classic knits: booties, bonnets, cot blankets, and cardigans, but with a modern edge. This new format is set to appeal to the current market. The stitches she uses are quick and simple to knit but highly textural in feel. Even a complete novice can master most of the patterns in the book and the simplest will take only an evening or at most a weekend to knit. In a carefully chosen colour range of art shade pastels and neutrals that have a long lasting appeal, these knits are the heirlooms of the future. Any parent will want to knit them, own them, and keep them for future siblings or as mementoes for the future. Previous ISBN 9781855859265. Other titles in the series include Simple Knits for Little Cherubs ISBN 9781843400189, also being reissued in this new and exciting format.

Knitting Machine Patterns on Diagrams done by Bertha Kok, Bertha Kok, 2014-12-11 This book is a result of many years of experience and provides more information to assist the knitter to produce an attractive and well fitted garment. Many people bought machines but did not persevere with the knitting of garments as they received minimal help and advice from technical sources. This book is to motivate and inspire knitters to produce a well finished garment. Although the manuals teach how to operate the machine, knitters are often at a loss when it comes to average sizes, styles, and measurements. The use of diagrams simplifies the reading of the patterns. One can see at a glance which instructions are required for the garment. The measurements, rows, stitches, and also show shaping. Please note that this book is supplementary to the handbook supplied with your machine. Therefore refer to your own instruction manual at all times. Although everything was done to avoid mistakes, the writer can't be held responsible for any errors. The use of diagrams simplifies the reading of the patterns. One can see at a glance which instructions are required for the relevant garment. Sizes are for men and ladies in 10 sizes from 82cm to 127 cm, 32 to 50. Children from 3 months to 12 years. Calculations are for 4 ply yarn and 3 ply yarn. Crochet No 5, summer boucle, and industrial yarns can also be adapted for the machine knitting patterns.
