Victory with Honour Olusegun Ferreira,2021-04-12 Victory with Honour is an account of my stewardship whilst I was onboard NNS OKPABANA as the Commanding Officer from 2015 2016 The book renders a chronological narrative of my operational and command experience onboard the ship beginning with an opening chapter giving an expos on the essence of sea power and the concept of navies a brief historical perspective of the NN in the second and the third chapter begins with my own story In between I also gave my view of the maritime security situation in the Gulf of Guinea and how to address the challenges being experienced therein The book then continues with a personal account of the various exercises and operations that the ship participated in whilst I was in command Chapter Eighteen being the last chapter gave some leadership principles though navy centric could apply to almost any sphere of life Largely esoteric in nature I believe the readership would be inspired to draw lessons from my experiences and also add to the corporate institutional knowledge of the Nigerian Navy as a whole I also believe more needs to be laid out in the public space on how Nigeria as a maritime nation has potentials to become a sea power state like other nations with access to the seas did in the past
