Buyer Aware Marta L. Tellado, 2022-09-20 In an era of corporate overreach when consumers have never been more vulnerable to digital surveillance unsafe food and dangerously faulty products the president and CEO of Consumer Reports gives us a playbook to put the power back in our hands You've been getting ripped off The rules that have protected consumers for decades are failing Companies are spying on us Many of the products we once trusted are dangerous and failing at alarming rates Whether we are buying a crib a small appliance an iPhone app or shopping for car insurance it's become harder than ever to know whether the choices we make in the marketplace are putting us at risk either from physical harm or the abuse of our personal data by hackers or corporations This is intolerable It's wrong And we don't have to put up with it anymore Marta L Tellado the president and CEO of Consumer Reports has been an advocate for consumers for decades In Buyer Aware Tellado shows you the steps you can take to protect yourself from predatory business practices and how to exert your inherent power as a consumer to spur politicians and businesses to clean up their act Only then can we ensure that we have an economy that is fair safe and transparent for all and puts consumers first **Sex Roles and the School** Sara Delamont, 2012 Schools reflect the society which surrounds them but they must also be agents of change The last few decades have seen an explosion of research on gender and education and in this volume the author examines in a rigorous but highly accessible way new research findings and new strategies for change continuing to argue that both sexes lose out from sexist schooling **Seven Days to Say Goodbye** Dawn Michele, Michele Dawn Michele, 2006-04 This touched so many different emotions and feelings It definitely makes you think I spent this morning reading it and couldn't put it down It made me feel like I was there that I was apart of it I felt like I knew Joie and knowing the outcome was heartbreaking but eye opening Jamie Parents of Murdered Children A truly amazing perspective on life death love and hate Dawn Michele has a phenomenal grasp on understanding these emotions and bringing you along on her journey of growth Holly Sizemore I find the premise to be original and engaging It is also compelling from the standpoint of being based on a true to life personal tragedy Congratulations Dawn for creating such a well thought out and heartfelt story on paper You're a fine writer Nora Gedgaudas Northwest Neurofeedback of Portland Meet Sam A Heavenly being that wants answers Meet Dawn A girl with a million questions for a sister she hasn't seen in fifteen years Both have only seven days to get the answers to the questions before history repeats itself Sam and Dawn take you on a journey that exists somewhere between love and hate Sam follows Dawn as he sends her back exactly seven days before her sister's murder She goes back knowing how it will all end and Sam won't let her change a thing When you are given Seven Days To Say Goodbye how do you say it **Why It Sells** Marcel Danesi, 2008 Marcel Danesi is an entertaining and insightful tour guide to decoding the messages woven into the advertisements commercials brand names and logos we see on a daily basis Guiding readers through the basics of how to interpret ads Danesi explores everything from product and package design to jingles cyberadvertising ad campaigns global
