

Discussions

Discussions are a tool used to enhance student engagement, encourage critical thinking, and increase interactions with fellow students' ideas. Your instructors may assign discussions. They can adjust settings so that you must respond to the initial question before you can view/respond to your classmates' responses.

Posting a Discussion

Discussions can be accessed from the discussions tab in a course. They can also be accessed in the course content pages where they are posted.

1. Select the **Discussion** you wish to open.
2. Read over the prompt carefully.
3. Select the **text box** below the prompt to open the content editor to enter your response.
4. Select **Respond** to post your response.

Responding to a Classmate

You may be encouraged to collaborate with your classmates by responding to one of their posts. Start by opening the discussion post.

1. Scroll to find the reply you wish to respond to.
2. Read the reply carefully.
3. Select the **Reply** link just below the reply to open the content editor to enter your response.
4. Select **Reply** to post your response.

Additional Information

Instructors may grade a discussion or choose to not take a grade.
