Checkmate Arun Naidu, 2019-02-15 Checkmate is a story that reveals the frailties in every relationship whether personal or professional We may live civility in society but our world is more dangerous than the jungle of prey and predators As pillagers ourselves we constantly engage in a purge by intimidation stealthily stalking stealing and marauding We become both the hunter and hunted in an intractable game of chess in life In this ode Aarvan the main protagonist gets entrapped by the very people that is his own blood and close friends The travesty of life is truly an antithesis of what in reality it actually is Even forgiving is a victim on its own Life is only one in its true avatar We just get caught up in the cosmic karma of vicious cycle where redemption is only a notion

The Russian Affair David Walsh, 2020-07-23 **LONGLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE 2020** Reads like a thriller or even a spy novel Walsh keeps you gripped Rosamund Urwin Sunday Times A turbulent but ultimately inspiring tale The candour is rare and gripping Matt Dickinson The Times It was the story that shocked the world Russian athletics was revealed to be corrupt from top to bottom with institutionalised doping used to help the nation's athletes win medals they did not deserve But the full story of the couple who blew the whistle has never been told until now When Russian anti doping official Vitaly Stepanov met the young 800m athlete Yuliya Rusanova for him it was love at first sight Within two months they were married But there was a problem in fact there were lots of problems She admitted she was doping and that everyone else was doping and she let him know that she came from a

dark place It could all have brought a very swift end to a very hasty marriage but gradually the Stepanovs began to realise that whatever you did the system in Russia was stacked against you In the end the only ones they could rely upon were each other Fully aware of the risks they were taking they decided to turn the tables on those who had manipulated them and cheated the sporting world The result of their investigative work sent shockwaves around the planet and led to Russia's athletes being banned from world sport while the Stepanovs themselves had to go into hiding The Russian Affair is a gripping true life drama that at times reads like a spy novel and at others like an epic love story But at the centre of it all is a quietly determined couple who knew that if they stood together they could shine a light on a corrupt system and bring it crashing to the ground
