the Christian worldview in America and the West is happening to the utter shock of Christians Why They ve been blind to the enemy s stealth attack on biblical history and authority which has led multiple generations to abandon God s Word as their foundation When our culture asks the questions dealt with in this book and our kids parrot these questions and ideas heard from schools libraries movies books music YouTube social media etc it must be remembered they re not innocent unintentional questions They stem fundamentally from a rejection of biblical authority **Quick Answers to Social Issues**

provides answers for some of the toughest questions of the day regarding Marriage and sexuality from God's Word Response to the LGBTQ community Animal rights and the green movement The biblical response to racism It's imperative that Christians be ready to give answers to today's questions Thus the passion and purpose of this book is to equip you with clear concise biblical answers to effectively stand on God's Word and boldly proclaim the gospel of Jesus Christ on the frontlines of today's battle

Teens Take It to Court (Volume 1 of 2) (EasyRead Super Large 24pt Edition) , **The Lie** Ken Ham, 2012 Here is the revised expanded and updated edition for the 25th anniversary year Its message of biblical authority is even more relevant today This anniversary edition is an even more powerful eye opening book for the church Ken Ham once again takes the lead in pointing out the looming precipice that thousands of church leaders are rushing toward a denial of the full authority and accuracy of the Bible from its very first verse Originally published in 1987 The Lie took a bold stand which became prophetic Ken warned the church about the destructive effects of compromise with evolutionary millions of years ideas He warned that compromise in Genesis would undermine Scriptural authority in the culture and erode confidence in the infallibility of God's Word Today Christians increasingly doubt the Bible's reliability So then do those who are considering placing their faith in Jesus the Creator The issues are of critical importance when you realize that today we have Christians not only confused when it comes to Genesis and the age of the earth but now even the reality of hell Adam as a real person and Christ's own words about creation marriage and more One compromise just leads to another and it has to end if we want to leave a legacy of faith to future generations

Senter, 2019-03-14 A dinosaur book like no other this irreverent chronicle of science and pseudoscience takes the reader on a journey through numerous bizarre ideas about ancient reptiles Were dragon legends inspired by human encounters with fire breathing dinosaurs Do the Bible and other ancient works of literature and art depict dinosaurs Astoundingly those and other strange notions have infiltrated grade school science textbooks This expos unmasks the errors that underlie such notions and reveals the science that flattens them while treating readers to explanations of rocket fuel nuclear power plants the electric eel's shocking capabilities and how the young Earth creationist position contradicts the very scripture that it strives to uphold Finding humor in absurdity the book shows fans of science religious studies folklore and fire that young Earth creationist dinosaur pseudoscience is deeply comic once one gets to know it properly
