Assassin's Quest I Paul H.,2017-10-12 AWAKE EVERY MORNING with ink on my hands Sometimes I am sprawled facedown on myworktable amidst a welter of scrolls and papers My boy when he comes in with my tray may dare to chide me for not taking myself off to bed the night before But sometimes he looks at my face and ventures no word I do not try to explain to him why I do as I do It is not a secret one can give to a younger man it is one he must earn and learn on his own A man has to have a purpose in life I know this now but it took me the first score years of my life to learn it In that I scarcely think myself unique Still it is a lesson that once learned has remained with me So with little besides pain with which to occupy myself these days I have sought out a purpose for myself I have turned to a task that both Lady Patience and Scribe Fedwren had long ago advocated I began these pages as an effort to write down a coherent history of the Six Duchies But I found it difficult to keep my mind long fixed on a single topic and so I distract myself with lesser treatises on my theories of magic on my observations of political structures and my reflections on other cultures When the discomfort is at its worst and I cannot sort my own thoughts well enough to write them down I work on translations or attempt to make a legible recording of older documents I busy my hands in the hope of distracting my mind My writing serves me as Verity s mapmaking once served him The detail of the work and the concentration required is almost enough to make one forget both the longings of the addiction and the residual pains of having once indulged it One can become lost in such work and forget oneself Or one can go even deeper and find many recollections of that self All too often I find I have wandered far from a history of the duchies into a history of FitzChivalry Those recollections leave me face to face with who I once was and who I have become When one is deeply absorbed in such a recounting it is surprising how much detail one can recall Not all the memories I summon up are painful I have had more than a just share of good friends and found them more loyal than I had any right to expect I have known beauties and joys that tried my heart s strength as surely as the tragedies and uglinesses have Yet I possess perhaps a greater share of dark memories than most men few men have known death in a dungeon or can recall the inside of a coffin buried beneath the snow The mind shies away from the details of such things It is one thing to recall that Regal killed me It is another to focus on the details of the days and nights endured as he starved me and then had me beaten to death When I do there are moments that still can turn my bowels to ice even after all these years I can recall the eyes of the man and the sound of his fist breaking my nose There still exists for me a place I visit in my dreams where I fight to remain standing trying not to let myself think of how I will make a final effort to kill Regal I recall the blow from him that split my swollen skin and left the scar down my face that I still bear
