Understanding the Department of Homeland Security Don Philpott, 2015-12-14 Understanding the Department of Homeland Security discusses why the Department of Homeland Security DHS the largest and the newest department of government was established and then takes a detailed look at the role of the 22 different federal departments and agencies that were incorporated into it DHS has more than 240 000 employees in jobs that range from aviation and border security to emergency response from cybersecurity analyst to chemical facility inspector Its duties are wide ranging but the goal is clear keeping America safe Features An analytical look at the Department of Homeland Security and all its component agencies A list of all the major homeland security incidents over the last 100 years About the Series The Cabinet Series looks at the major departments in the Federal Government explaining why they were created and the responsibilities of each agency and how they conduct their daily business at home and abroad It helps to explain what federal agencies do and how they affect the lives of citizens

Understanding American Politics, Second Edition Stephen Brooks, Douglas Koopman, J. Matthew Wilson, 2013-05-06 Understanding American Politics provides a unique introduction to the contemporary political landscape of the United States by using as its core organizing feature the idea of American exceptionalism a concept that is at least as old as Tocqueville s study of American democracy The second edition of Understanding American Politics maintains the unique strengths of the first edition while offering improved coverage of political institutions A single omnibus chapter on

institutions has been reorganized and split into three separate chapters on Congress the presidency and the courts A new chapter on public opinion has also been included and the chapter on religion and politics has been completely rewritten with a deeper appreciation of religion s influential role The book has been revised throughout taking into account the dramatic changes that have emerged since the 2010 congressional elections and the 2012 presidential election The text also pays close attention to what is seen as the irreversible decline in America s global influence Visit www.utpamericanpolitics.com for additional resources
