Interpreter: A Journal of Mormon Scripture, Volume 1 (2012) The Interpreter Foundation, 2012-09-28 This is volume 1 2012 of Interpreter A Journal of Mormon Scripture by Interpreter Foundation It contains articles on diverse topics such as charity in defending the kingdom Nephi's esoteric exchange with the Spirit in 1 Nephi 11 the cultural context of Nephite apostasy a book review of Temple Themes in the Book of Moses a commentary on temple theology in John 17 a letter from John Sorenson to Michael Coe on Mesoamerica atheist piety a book review of Latter day Scripture Studies in the Book of Mormon Mormonism and Wikipedia and a book review of Understanding the Book of Mormon A Reader's Guide *The Words of God: 8 Crucial Bible Themes Supported by the Book of Mormon* Kathleen Danielson, 2023-07-10 No matter when disciples have lived on this earth they have all looked to the same Savior This unique approach to scripture study weaves together the history culture and geography of the Bible and Book of Mormon to provide a deeper understanding of how these standard works support each other Discover a broader perspective and deepen your own discipleship with this inclusive guide to the scriptures **Truth Seeker: Mormon Scriptures & the Bible** Warren M Mueller, 2014-02-10 Are Mormons Christians What do they believe How do their beliefs compare with other Christian religions I have been impressed by the dedication of Mormon missionaries the beauty of the Mormon Tabernacle Choir and the majestic architecture of Mormon temples I have known several Mormons and they seem to be family oriented people who live out their faith in tangible ways As American culture drifts towards situation ethics and values based on surveys Mormons are like other Christians in that they tend to be conservative and look to their Church and Scriptures for guidance This interest and curiosity led me to study Mormon scriptures and compare them with the Bible Each chapter of Truth Seeker Mormon Scriptures The Bible is a summary of each of the books that make up The Book Of Mormon The Pearl of Great Price and Doctrines Covenants This is followed by a discussion of internal inconsistencies differences from the Bible and historical problems In order to provide a balanced discussion the views of a devout Mormon Dr Jordan Jensen are included Brigham Young University and Latter day Saint LDS web sites were used to answer questions I still had after completing my review and to fill in gaps in my understanding of some doctrines and beliefs The result of these efforts is a book that provides insights into Mormonism and how it compares and deviates from other Christian churches The essence of the deviations are founded in the idea that Mormonism extends clarifies and sometimes replaces Biblical teachings based on revelations given to Joseph Smith and subsequent LDS prophets **Biblical And Non-biblical Evidences For The Book Of Mormon** Joseph Dean DeBarthe, 2018-08-29 What about the Book of Mormon That it is a controversial book cannot be denied Many do not accept it as scripture They believe that Joseph Smith Jr wrote it They also believe that the Bible is the only scripture ever written but nowhere does the Bible make that claim This belief is not biblical In fact just the opposite is true The Bible testifies to the existence of other written scriptures and specifically a second scripture written about the tribe of Joseph Ezekiel 37 19 This

Joseph is the same Joseph of the coat of many colors the same Joseph sold into slavery in Egypt and the same Joseph that saved Egypt and all of the tribes of Israel from the seven year famine that occurred Due to his lack of knowledge and education if Joseph Smith Jr had written The Book of Mormon it would have been disproven years ago Instead as time passes more and more of it is proven to be correct Joseph Smith could not have written it for many reasons not the least of which is the fact that he was a barely literate man He knew very little of the scriptures and no Hebrew at all Yet The Book of Mormon is clearly written by highly educated men with a strong background in Hebrew customs and writing techniques none of which were known by any American in the 1800s More information on this subject will be explored within this book This book was begun by direction of the Holy Spirit and written to the entire body of Christ Some might ask why they should read it Some will read it to try to refute it others will read it to learn and still others will use it to further their own agendas However you should read it and pray over it asking God through His Holy Spirit to give you a witness as to its validity We need direction from the Holy Spirit because we are always vulnerable to error Even prophets can be deceived 2 Chronicles Chapter 18 Satan will do anything he can to prevent us from gaining unity in our fight against him For years he has used the divide and conquer plan and we have fallen prey to it It is time we stop fighting over our petty differences and start working together for the salvation of all mankind The harvest is plentiful it is time to bring it in and we can do it With the help of God through His Son Jesus Christ and His Holy Spirit we can accomplish what would otherwise be impossible on our own
