Lynn Kurland

Another Chance where Would You Be Without One:

Another Chance Frank Lowe, 2005 If one night you met Max Neal a darkly handsome nineteen year old who was turning tricks on the streets of Denver and asked him what had brought him to this life he wouldn't have told you the truth And he wouldn't have told you about his love affair with power It was his hunger for power that precipitated the roundabout and sacrilegious journey that led to his popular charismatic priesthood But Max eventually learns that power cannot protect him from his destiny His life soon becomes inextricably entangled with those of three very different priests and a suicidal young vagrant The secrets from the past could lead to dangerous consequences or forbidden love and could cost him everything he has worked to become Max deals with his life in the only way he has known up to this point he flees from the situation by assuming someone else's identity Max continues to run from himself and his past until the day that he finally comes to the realization that he doesn't even know who he is anymore Only by rediscovering himself will he be able to look forward to the future free from the anguish and torment of his troubled past

Another Chance Cynthia Griffin, 2013-07-31 This book was very challenging for me but it brought home the fact that I can do all things through Christ Jesus who strengthens me I was not up for writing this book because I did not feel that my writing skills were up to par with society's standards God taught me to press on and I truly learned that God equips you for whatever He has tasked you to do My favorite saying is what God has for me is for me and I believe that nothing will stand in the way of your destiny if you trust in God Weather you believe it or not your life is planned and managed by God This is my encouragement to you So press toward the mark of the high calling in Christ Jesus because you can do anything when you set your mind to it and put God first You know what I mean when I say you feel something deep down in your spirit telling you to do something I believe this is your nudging from God You have already been given confirmation and are still hesitant to move forward I was also like that and God sent several people to tell me to write this book I pray that this book be used by God to strengthen your faith and give you hope as you press towards your future Remember God has equipped you to go forth and conquer You know He says in His word that you are more than a conqueror Believe in Him

Another Chance Mindy Potash-Smith, 2014-06-12 Justin Nichols had it all and hits rock bottom when it's stripped from him But when he lays eyes on his high school sweetheart a fire lights inside him and makes him realize there's something left in life worth fighting for Kristen Delanie had her heart broken at age sixteen and finds herself face to face with the man responsible He not only made her self conscious but also left her feeling inferior She knows in her heart the only way to get rid of her insecurities is to let him back into her life but at what cost Almost immediately someone is trying to send Kristen a message by turning her world upside down Is the stranger's focus on her or is it coincidental that it didn't start happening until Justin waltzed back into her life The whole situation leaves them both wondering is it possible to get another chance
