

Exile and Paradox

1. How are Antigone and Ismene related?
They are sisters, the daughters of Oedipus.
2. What are the two brothers mentioned in the prologue?
They are the brothers of Antigone and Ismene: Eteocles and Polyneices.
3. How did the two brothers die?
The two were on opposite sides in the recent civil war; they killed each other on the battlefield.
4. What is King Creon's decree?
Polyneices was considered a traitor by King Creon for attacking the city of Thebes. Polyneices' body was not permitted to be buried, but left for the scavenger birds and dogs to eat. Eteocles was to receive a hero's burial.
5. What does Antigone plan to do?
She plans to bury her brother Polyneices according to the laws of their God. She believes that God's laws are more important than man's laws.
6. What is Ismene's decision regarding the King's decree?
She is too afraid of retribution to help Antigone.
7. What does the Chorus compare Polyneices to in the Paradox?
He is compared to a wild eagle swooping down on the city of Thebes.
8. What city has "seven gates in a yawning ring"?
The city of Thebes.
9. What does the Chorus compare Thebes to?
Thebes, in this case, is the personification of those who rise to defend the city. Collectively, Thebes is compared to a dragon.
10. According to the Chorus, what does God hate?
God hates "the laws of dragging humans." He hates those who arrogantly brag of their invincibility.
