Ashes To Ashes By Andrew Flintoff:

Andrew Flintoff: Ashes to Ashes Andrew Flintoff, 2012-08-16 Freddie Flintoff is perhaps the best known cricketer in the world and definitely the most loved in the UK. Widely considered the greatest English all rounder since Ian Botham, at cricket grounds immediately empty the moment he approaches the wicket. It was victory in the 2005 Ashes series that cemented Flintoff's place at the nation's heart with his stunning performances helping ensure the Ashes were regained for the first time in eighteen years. *Ashes to Ashes* Andrew Flintoff, 2009 In an era of cricketing superstars Freddie Flintoff outshines the rest. His magnificent spell of fast bowling at Lord's and his electrifying run out of Ricky Ponting at The Oval were major turning points in the recapture of the Ashes by England in 2009. It was victory in the 2005 Ashes series that cemented Flintoff's place in the nation's heart when his match winning performances helped England regain the Ashes after eighteen years. In *Ashes to Ashes* he writes not only of his many highlights but also reveals his feelings of frustration during his periods out of the game through ankle and knee injuries and the anxiety that has followed the major operations he has had to undergo. For many years Flintoff has been the spearhead of the English bowling attack. Moreover with his powerful hitting and his frequent heroic performances he has so often spurred on his colleagues and thrilled his avid fans. Flintoff provides an insider's account of the build up to the long awaited 2009 Ashes series in which he played such a vital role. Andrew Flintoff's lively and very personal account of his last four years of Test cricket is both informative and compelling.

MENTALITY Joe Sillett, Karl Morris, 2010 *Mentality* examines how 16 leading sports personalities in Britain made it to the top. What does it take to perform at the highest level? What can we learn from their experiences? With an enlightening collection of insights by Joe Sillett and summaries from Europe's leading Mind Coach Karl Morris the book is described by *The Daily Telegraph* as a must read for sports fans and coaches alike. The full list of contributors is as follows: Ben Ainslie, John Amaechi, Geoffrey Boycott, Laura Davies, Sir Ranulph Fiennes, Andrew Flintoff, Dr Janet Gray, Alan Hansen, Damon Hill, Georgina Hulme, David James, AP McCoy, Scott Quinnell, Dennis Taylor, Phil The Power, Taylor and Lee Westwood. **Freddie Flintoff: Coming Home** Andrew Flintoff, 2025-10-09 THIS AUTUMN'S MUST HAVE AUTOBIOGRAPHY. A split second decision is all it takes. A decision that can change the course of a cricket match. Maybe even the course of your life. In *Coming Home* Freddie Flintoff zeroes in on the crucial moments that made him some highly celebrated others less well known away from the cameras but all pivotal in shaping the man he is. As a boy growing up in Preston Fred fell in love with the game of cricket. It gave him his route through life. Out on the pitch he felt at home. Through his eyes we see him picking up a bat for the first time, his early years on the field, that incredible performance to win the Ashes against the Aussies in 2005, face downs with rivals, run ins with the media, the doctors telling him he can't continue to play. On and off the pitch in and out of the spotlight. Fred tells the whole story. After retiring Fred thought he'd left the game behind, relaunching himself in the world of entertainment but following the car crash that turned his life upside down it was cricket to which he returned. *Coming Home*

is a reflection on a unique life a story like no other and a love letter to the game that made him Honest open reflective and funny like the man himself this is Freddie Flintoff in full in his own words

500-1: The Miracle of Headingley '81 Rob Steen, Alastair McLellan, 2011-11-16 No season exerts a grip on the hearts of English cricket followers quite like the summer of 1981 For the first time in a generation the whole country was transfixed by a Test series What made it all the more remarkable was that the fortunes of the national team not to mention those of the game in general and the country itself seemed at rock bottom During the course of an Ashes series that shifted from the mundane to the fantastical with breathtaking speed the third Test at Headingley proved to be the turning point Amid record unemployment and the worst outbreak of civil unrest in a century England 500 1 against at one stage odds taken by two members of the Australian team achieved the most improbable sporting triumph of the 20th century mounting a dramatic comeback to beat Australia by 18 runs The names of Ian Botham Bob Willis and Mike Brearley duly became forever entwined with what readers of the Observer recently voted Most Memorable Sporting Moment 500 1 recreates the match with the aid of those who were there players officials groundstaff spectators and media while placing events in their full context tracing a timeless tale in rich vivid and unprecedented detail As the thirtieth anniversary approaches 500 1 The Miracle of Headingley has been fully updated to reflect the impact that Test had on the game and those who watched it at a time of struggle in both the game and society as a whole

The Plan: How Fletcher and Flower Transformed English Cricket Steve James, 2012-05-24 In 1999 England slumped to a new low in their tumultuous cricket history Defeat at home by a mediocre New Zealand team saw them fall to the bottom of the world Test rankings below even Zimbabwe Yet only just over a decade later England reached the top It was a remarkable and profound transformation brought about largely by two men with an insatiable desire to succeed Duncan Fletcher and Andy Flower In The Plan Steve James tells the story of the renaissance of English cricket from a unique perspective As the former batting partner of ECB managing director Hugh Morris a player under Fletcher at Glamorgan and Flower's closest confidant in the press corps James is the perfect analyst of this period in cricket history From crucial choices of captain to innovative coaching and a complete overhaul of training and preparation for matches it is

the tale of a refusal to be second best And in examining Fletcher and Flower s background in Zimbabwe where James himself played he uncovers the continental shift behind the turnaround It is the story of how English steel was melded with African fire to create the most potent combination in world cricket
