Now this beloved resource has been revised throughout and expanded to include thirteen new disciplines along with a new preface by the author giving us practical guidance in our continuing journey toward intimacy with Christ. **Transformed** Kristi Lemley, 2021-10-01 Have you ever been outside in the hot weather wilting under the heat and took a drink of cold water that brought relief and refreshment? *Transformed* produces a similar response. *Transformed* helps you walk through a process of healing by identifying areas in your past experiences or daily life that need God's touch. You will be inspired by [Practicing the Monastic Disciplines](#) Sam Hamstra Jr., Samuel Cocar, 2021-07-12 In *Practicing the Monastic Disciplines* authors Sam Hamstra Jr. and Samuel Cocar recover the wisdom of the Christian desert and make it more available and accessible to modern Christians, especially those in the evangelical circle they inhabit. Believing that moderns like themselves often flail in their Christian lives, the authors discover in the desert Christians of late antiquity a clear map for growing in Christlikeness as well as an effective set of tools or weapons for combating temptation. This set of insights sees its completion in the spiritual theology of Evagrius Ponticus, a monastic theologian who expertly assessed the maladies and corresponding remedies of Christian discipleship. Evagrius and his comrades offer modern Christians a coherent framework for spiritual formation and growth, one which treats seriously both the frailties of human nature and the potential for sanctification. This strand of patristic spirituality guides us toward glorifying God through both training our bodies and ordering our interior lives. **Training with Jesus** A.E.H., 2012-12-21 The life of following Jesus is not meant to be one of just getting by or merely arriving to heaven by the skin of our teeth. We were created to live this life like Jesus. But how exactly do we live like Jesus? We learn to live like him by becoming like him. And thankfully, he shows us the way. In *Training with Jesus*, you will learn the essential spiritual practices for beginning the lifelong journey of becoming like Jesus. These spiritual exercises were central to Jesus' life and have been faithfully practiced by his followers throughout the centuries. Discover the practices of Bible reading, Prayer, Solitude, Silence, Fellowship, Service. In short, simple chapters, you will learn about the exercise and be challenged to begin your own spiritual training with practical suggestions. Also included are questions for group discussion. Become like Jesus by training with him. [The Enneagram for Spiritual Formation](#) AJ Sherrill, 2020-09-15 Author AJ Sherrill still remembers the moment when his life was forever changed by a word he didn't even understand at the time: Enneagram. A personality theory that includes nine different

types the Enneagram has become a popular tool for self awareness and improvement But in this book Sherrill goes deeper exploring with Christians how the Enneagram can be a pathway to profound spiritual transformation Sherrill reveals the Enneagram as a tool to unlock new ways of viewing identity personality discipleship spiritual practices evangelism and the Bible Using this fresh approach Sherrill shows how our true identity is that of a beloved child of God Recognizing that we can move confidently into the world expressing this identity through our unique personality Through Sherrill s detailed spiritual exploration of each type readers will emerge viewing the Enneagram as a precious gift to following Jesus more closely

Davis, 2024-11-05 Spiritual formation has gained increasing attention with theological schools as a significant element of the theological education process. Repeated Association of Theological Schools studies have revealed a broad interpretation of what is meant by spiritual formation and how it is achieved within the theological education framework. Theological schools look to what happens in the field education courses as the most significant source of spiritual formation. Experience: Spiritual Formation in Theological Field Education provides effective resources that field educators may employ to foster spiritual formation. In the first section of the book, twenty-five practices are introduced that are employed currently by field educators with strong favorable student feedback. In a second section, ministerial leaders in a variety of settings share spiritual practices that they have found life giving and foster deeper connection with God and God's world. Experience equips field educators for the significant task of fostering the spiritual growth of their students. Students in turn will have a treasure trove of spiritual formation exercises/practices that they can adapt as ministerial leaders in congregations, chaplaincy settings, and in faith-based non-profit organizations.
