A Shot In The Dark:

A Shot In The Dark... Willie Mack,2010-01-13 When all is said and done one fact remains On the night of May 11 1967 a crowd of protestors marched east on Lynch Street throwing debris at a line of officers Shots rang out several people were wounded one fatally Who fired the shot in the dark that killed Benjamin Brown a supposedly innocent bystander who lost his life on his twenty second birthday Who knows what really happened that night Eyewitnesses gave their accounts then turned around and recanted those statements This book recounts the happenings of that momentous night from an objective eye A true to life account that will hopefully remind us of justice If not bring closure to wounds left by injustice **A Shot In The**

Dark Sid Cooper,2013-06 The peacefulness of the small quiet town is disturbed in the middle of the night when a shot rings out but when the police come to investigate at first there are no signs of violence Then a trace of blood is found and it is human There is no body no cartridge case from the bullet no one is brought to hospital with a bullet wound and no one is reported missing Detective Sergeant Rob Cording is put in charge of the case and he sends his men door to door to gather information from witnesses When a week later a body is fished out of the sea Cording begins to fit the clues together and the trail leads from the country where the crime was committed which is never disclosed across an ocean to Columbia Venezuela and Holland **A SHOT IN THE DARK** PETER GREEN,2009-10-19 She could see the lights of the train and the parking lot but where she was standing was pitch black She took out her silver vial and unscrewed the top She scooped out a pile of cocaine with the little spoon and snorted it up one nostril then the other It was an exquisite moment as the drug charged through her brain like a stampede of white lightning Hot damn she whispered and gave her head a little shake as she exhaled She felt so good So perfect Because of the deal she d just pulled off And the money she was going to make And handsome Marc waiting for her in the City with all of that cocaine A spasm of euphoria coursed through her body in a delicious wave of pleasure Neurons and endorphins danced in her brain like fireworks on the Fourth of July She d never been so happy She s about to light a cigarette when the lights start to dim It happens so quickly there s no time to react There s just a hint of pain but it s too brief to register Then there s nothing Only blackness And just like that Sandra Ellison s life is at an end Like someone reached in and turned off the set Her set That s how quickly it happened She was dead before she hit the ground
