Teach Us to Pray Katharine Mahon,2019-04-01 The study of liturgical reform is usually undertaken through a close examination of liturgical texts In order to consider the impact of reform on the worship life of Christians Katharine Mahon takes a wider view of liturgy by considering the worship practices of Christian churches beyond what appears in the rites themselves Looking at how Christians were taught how to pray and instructed in

liturgical and sacramental participation Mahon explores the late medieval patterns of Christian ritual formation and the transformation of these patterns in the sixteenth century reforms of Martin Luther Thomas Cranmer and Roman Catholic leaders She uses the Lord's Prayer the backbone of medieval lay catechesis liturgical participation and private prayer to paint a panorama of medieval ritual formation integrated into the life of the church in the fourteenth and fifteenth centuries She then follows the disintegration and reconstruction of that system of formation through the changing functions of the Lord's Prayer in the official reforms of catechesis liturgy and prayer in the sixteenth century [The Way, Part 1](#) The Evangelical Catholic,2019-09-24 As Catholic disciples of Jesus we mature to the extent that we allow the heart and habits of Jesus and his people to become ever more our own The Way invites individuals and groups to reflect upon the heart and habits of discipleship with Scripture discussion questions and prompts for spiritual exercises In Part 1 we reflect on the call to know God as friend savior and source of all life through Jesus Christ In six sessions we discuss how to nurture this friendship in prayer and in Scripture Also available The Way Part 1 Small Group User Guide This affordable booklet is designed specifically for small group participants Leaders should purchase the Leader Individual Guide *Luther as a Spiritual Adviser* Dennis Ngien,2007-06-01 Most Luther scholars have focused largely on the polemical side of the Reformer with occasional allusion to his Devotional Writings in volumes 42 and 43 of the American editions The aim of this book is to unfold the pastoral not the polemical side of the reformer drawing on the spiritual insights he offers to people of high and low estate These writings are devotional and catechetical in shape and intent yet not devoid of rich theological substance the fruit of his rigorous reflections They are the exercises of Luther's basic calling as a theologian pastor and are the concrete illustrations of the interface of theology and piety the former being the abiding presupposition and logical cause of the latter Through them readers are informed not only of the Reformation theology of justification but also introduced to a distinct expression of the Christian faith in which Christ and his cross occupy the centre stage What is noticeable is the one single overarching theme God's ways with people that the Reformer as a spiritual adviser sought to relate to the events of his days such as evils severe afflictions the prevalent lay abuse of the Eucharist He counseled how to meditate aright on Christ's passion prepare to face the terror of death advise the sick rightly approach the sacrament of the altar why and how to pray aright what benefits could be gained from the Lord's Prayer and how to live out a life of discipleship under the cross Ngien's work reveals Luther as a true theologian i.e. theologian of the cross at work in the pastoral context *Simple Prayer* Rachel Larkin,2017-06-19 Do you desire a more fulfilling prayer life Rachel has discovered a simpler way to pray a way that turns ordinary moments into extraordinary divine encounters Having an amazing prayer life is not for the famous Christians It's for all of us ordinary people who are seeking the extraordinary You will discover How simple and effective prayer can be How you can see God turn up in your normal everyday life How you can pray when life is tough so that you keep going and not give up The steps to create your personal prayer growth plan How prayer journaling can transform your relationship with God How to get from fig
