A Message from the Author During recovery I asked myself If I had a friend or family member who was going to go through the experience of having cancer what would I tell them? What would I want them to know to make this journey easier? Kicking Cancer's Ass A Light Hearted Guide to the Fight of Your Life is the answer to that question. This book's journey began more than 5 years ago. In fact when I was diagnosed with cancer at a young age yes I thought 39 was young I had no idea what to expect. Oh sure I knew that my health would be affected by this disease but I didn't know how. I also didn't know that cancer would change virtually every area of my life at least temporarily. I went into these experiences without much in the way of preparation and stumbled through with the help of family and friends. Along the way I learned how to get through it one step at a time. I hope you find this useful and I wish you well on your journey. Many of us have gone through it and we wish you all the courage, knowledge and support that you need in the days ahead. Best Wishes Rob. As a bonus Hawke has included Kicking Cancer's Ass A Guide for Caregivers.
