A Very Present Help Miriam Dunson, 1999-01-01 Having found a strong correlation between themes in the psalms and the personal and spiritual issues that older adults deal with everyday Miriam Dunson selects ten of the best known psalms for in depth studies exploring issues of particular concern to older people She opens avenues for study and reflection by including in each chapter a discussion of the psalm s background its meaning and how it relates to the lives of older persons *The Essential Spirit* Donald R. Koepke, 2016-01-19 Everyone who provides services to older adults believes in the biomedical model that addresses the body mind and spirit of their clients On the whole service providers be they long term care professionals academics social workers program professionals counselors or even clergy are quite adept at dealing with the body and the mind But few understand the essential role of the client s spiritual perspective which can enhance and make their services and ministries more effective *The Essential Spirit* provides such a viewpoint 1 by exploring a definition of spirituality that is inclusive of both religious and non religious understandings and 2 addressing the viewpoints of professionals from a variety of viewpoints Recognizing that the experience of spirituality is personal and qualitative *The Essential Spirit* adds another voice to the ongoing dialogue among professionals and clergy Living Through Pain Kristin M.
