A Vulnerable World The High Price Of Human Trafficking:

A Vulnerable World Elise Hilton, 2021-10-28 **A Vulnerable Word** Elise Graveling Hilton, 2015 The author discusses the economic and moral fallout of modern day slavery and suggests ways to diminish human trafficking *Ending Human Trafficking and Modern-Day Slavery* Annalisa Enrile, 2017-08-31 Bringing together conceptual practice and advocacy knowledge *Ending Human Trafficking and Modern Day Slavery Freedom's Journey* by Annalisa Enrile explores the complexities of human trafficking and modern day slavery through a global perspective This comprehensive multidisciplinary text includes a discussion of the root causes and structural issues that continue to plague society as well as real life case studies and vignettes the words of human trafficking survivors and insights from first responders and anti trafficking advocates Each chapter includes a call to action to inspire readers to implement a range of strategies designed to disrupt eradicate or mitigate human trafficking and modern day slavery **Global Health Security** Anthony J. Masys, Ricardo Izurieta, Miguel Reina Ortiz, 2020-01-01 With our highly connected and interdependent world the growing threat of infectious diseases and public health crisis has shed light on the requirement for global efforts to manage and combat highly pathogenic infectious diseases and other public health crisis on an unprecedented level Such disease threats transcend borders Reducing global threats posed by infectious disease outbreaks whether naturally caused or resulting from a deliberate or accidental release requires efforts that cross the disaster management pillars mitigation preparedness response and recovery This book addresses the issues of global health security along 4 themes Emerging Threats Mitigation Preparedness Response and Recovery Exploring the Technology Landscape for Solutions Leadership and Partnership The authors of this volume highlight many of the challenges that confront our global security environment today These range from politically induced disasters to food insecurity to zoonosis and terrorism More optimistically the authors also present some advances in technology that can help us combat these threats Understanding the challenges that confront us and the tools we have to overcome them will allow us to face our future with confidence *Women, Peace and Security* Joan Johnson-Freese, 2018-11-08 This book offers an accessible overview of the multiple interdependent issues related to the Women Peace and Security WPS global agenda The first introductory overview of the WPS agenda as articulated in multiple national and international resolutions statements and initiatives the book provides a link between the general public and security practitioners to an important but still largely unknown set of global objectives regarding gender equality and long term peace and stability Within the context of the changing nature of warfare and through consideration of empirical evidence the volume examines the definitions theoretical underpinnings and methodological challenges associated with WPS It then discusses with more specificity violence against women women civilians in war the role of women in peacemaking women in the military and in development and women politicians The book concludes with a look to the future and number of action items from the macro to the micro level While challenges and opportunities related to the WPS agenda are global US

policy action and inaction related to WPS and gender equality are provided as examples of what politically needs to be done has been done and obstacles to WPS furtherance potentially to be encountered by all countries This book will be of much interest to students of peace studies security studies gender studies and IR **The North American Arctic** Dwayne Ryan Menezes, Heather N. Nicol, 2019-11-04 The North American Arctic addresses the emergence of a new security relationship within the North American North It focuses on current and emerging security issues that confront the North American Arctic and that shape relationships between and with neighbouring states Alaska in the US Yukon Northwest Territories and Nunavut in Canada Greenland and Russia Identifying the degree to which domain awareness has redefined the traditional military focus while a new human rights discourse undercuts traditional ways of managing sovereignty and territory the volume's contributors question normative security arrangements Although security itself is not an obsolete concept our understanding of what constitutes real human centred security has become outdated The contributors argue that there are new regionally specific threats originating from a wide range of events and possibilities and very different subjectivities that can be brought to understand the shape of Arctic security and security relationships in the twenty first century *Best Practices and Next Steps* United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Africa, Global Health, and Human Rights, 2011 Labor Trafficking in Troubled Economic Times United States. Congress. Commission on Security and Cooperation in Europe, 2015 The SAGE Handbook of Human Trafficking and Modern Day Slavery Jennifer Bryson Clark, Sasha Poucki, 2018-12-10 Millions of people around the world are forced to work without pay and under threat of violence These individuals can be found working in brothels factories mines farm fields restaurants construction sites and private homes many have been tricked by human traffickers and lured by false promises of good jobs or education some are forced to work at gunpoint while others are trapped by phony debts from unscrupulous moneylenders The SAGE Handbook of Human Trafficking and Modern Day Slavery provides a comprehensive interdisciplinary and global look at the diverse issues surrounding human trafficking and slavery in the post 1945 environment Covering everything from history literature and politics to economics international law and geography this Handbook is essential reading for academics and researchers as well as for policy makers and non governmental organisations *Human Trafficking* Mary C. Burke, 2013-04-12 Written specifically for undergraduates and graduate students this text is designed to increase the extent to which issues related to human trafficking are understood and addressed Human Trafficking makes the expertise of those with experience in the anti slavery movement of this century available to others
