A Vested Interest Immortality Gene:

Immortality Gene John Chapman, Shelia Chapman, We fear pandemics but what if a pandemic made you immortal Book 1 in the series is FREE Dr Donna Rigden is fed up with her job When she loses the most important person in her life she makes plans to start over When this falls through she resigns big mistake Donna is now on Forrest's hit list Convinced to make a move Donna refuses to leave the US without visiting her parents and grandparents graves Ambushed at the cemetery she's shot and wakes up on her way to the UK This was not what Donna had in mind Richard Triplet rescues Donna but wants more from her than she's willing to give Feeling trapped and desperate she turns to a new friend for comfort Sir Richard Donna's new employer showers her with luxury and makes her an offer she can't refuse Once she's signed the contract he asks her to use her medical expertise to commit murder Donna's world is turned upside down Donna must make a life changing choice Once made there's no going back Was it the right choice Death strikes Sam the infirmary's doctor is ordered to give his patient an untested drug Sam knows the drug is either a cure or a curse but goes against his patient's wishes Will he stand by his Hippocratic Oath or cave and follow Sir Richard's orders Immortality Gene What about Sir Richard How does he fit into this equation What's his motivation Sir Richard Triplet is a member of a secret society who operates in the grey area on the edge of the law This makes him a target for religious fanatics and conspiracy theorists but Sir Richard knows a secret and has his own agenda He knows in the year 7141 the Earth will be destroyed by an apocalyptic collision with a rogue planetoid This scale of cataclysm will destroy all life on earth no room in the aftermath even for a dystopian civilization Should Sir Richard be concerned It's not his problem right He'll be dead and gone by then Maybe maybe not Sir Richard has a plan already in action One of the key elements in his plan is to manipulate the mechanisms of life and greatly extend the human lifespan Does Sir Richard's quest to live forever offer our happy ever after Let's re-evaluate this situation If you were to become immortal would you feel more inclined to worry about an event taking place thousands of years into the future I would be but what about the ethical and social implications of immortality What about overpopulation living space and the diminishing food supply What about the wars waged to control this miracle and the all important biblical phrase Genesis 6:3 And the LORD said My spirit shall not always strive with man for that he also is flesh yet his days shall be an hundred and twenty years Immortality Gene is the first book in the A Vested Interest series It's based on advanced technology currently under development Immortality Gene covers the development of a genetically engineered virus Along the way the series deals with corporate jealousy at its highest levels greed spite vengeance nanotechnology medicine murder mystery love and betrayal and of course the very essence of life itself The Series This full length novel book one sets the stage for a series involving romance suspense science fiction mystery action comedy Paranormal wolves do play a part in the series but no vampires yet Immortality Gene is a unique blend of thriller romance and science fiction If you like books by Michael Crichton Danielle Steel and Dan Brown stories combining complex plots compelling characters and scientific explanation then you'll

love Immortality Gene Be warned this first e book is long 780 pages but usually free **No Secrets** John Chapman, Shelia Chapman, Book 3 in the series What lies buried in the murky waters of the Louisiana Bayou What does a message and an old photo album have to do with Donna s mother Is she still alive Who is Constance Manning and what is her connection with Donna s mother Where and what is Spirit Canyon and what important secret does it protect What is Sam hiding from Sir Richard and Donna Who are Abigail Kaliea and Matthew Jones How do they fit in with the Triplets and what do they have to do with Sam What secrets will Abigail reveal when their paths cross If Forrest is dead what is he doing in the back of a of a black Mercedes in a small southern town in the United States warming up to a woman in her nineties Is his future about to take a turn for the worst or for the best Will Sir Richard at last hold Donna s mother in his arms or will they find the truth etched in stone What will Donna do about the baby she s carrying Who sends the text to Richard that makes him turn against Donna Has Lady Triplet lost her sting or is she just getting warmed up How much deeper do the roots go into the Triplet family tree and how many more people will we find resting in its branches What does Lady Triplet have in store for Kate Robinson and her son Tom Will Kate still see the same person when she looks in the mirror What will Richard do when he realises he s trapped between a rock and a hard place For Sam and Donna to find the answers they need to have no secrets

Raging Storm Shelia Chapman, 2018-10-12 Jared Thundercloud is Hot A doctor Plays in a band Dreams of his perfect match Sara Foster is Beautiful A young adult A wannabe singer Fleeing a repressive mother Do you believe in love at first sight Do you believe in fate and destiny Until a strange car pulled in Lucy s driveway Jared Thundercloud laughed at his grandfather s old stories and legends Now the girl that s been visiting his dreams since he was nineteen is standing across the street from him At least he thinks it s her She s the reason he became a doctor He hoped he could change a predestined future by being in the right place at the right time Can he Will fate be kind or will destiny rule out Through the years Jared has built a secret love for his dream girl A love so strong he s willing to walk away if he thinks it s better for her if his walking away can change her future What does he want to change Why won t he tell her This book is linked to the A Vested Interest series and could be regarded as the first book You don t have to have read other books in the series A second book Roses and Regret and third book Choice and Change also fit before the start of the A Vested Interest series Comments from reviews unique people in an extraordinary situation beautiful but sad story an invisible force destiny or fate endless romance You will laugh smile cry and love it had everything mystery love jealousy and sadness awesome job combining both romance and the paranormal Immortality Gene Shelia Chapman, John Chapman, 2015-03-29 We fear pandemics but what if one made you immortal When genetic scientist Donna Rigden gets fed up with her job at D Netics Research Facility she resigns Big mistake She s now on the hit list of the most notorious man in corporate America He has no morals and doesn t accept the word no Donna flees to the UK where she can continue her research Her new employer showers her with luxury and makes her an offer she can t refuse but once she s signed the contract he asks her to use her medical expertise to commit murder Donna s

life is turned upside down She must make a life changing choice Once made there s no going back Was it the right choice Based on current technology you ll find some very real Bondish gadgets together with romance in this romantic suspense technothriller Check out <http://avestedinterest.info> for more details The Price of Immortality Peter Ward,2022-04-19 In the tradition of Jon Ronson and Tim Wu an absorbing and revelatory journey into the American Way of Defying Death As longevity medicine revolutionizes the lives of many older people the quest to take the next step to live as long as we choose has spurred a scientific arms race in search of the elixir of life funded by Big Tech and Silicon Valley Once the stuff of Mesopotamian mythology and episodes of Star Trek the effort to make humans immortal is becoming increasingly credible as the pace of technological progress quickens It has also empowered a wild eyed fringe of pseudo scientists tech visionaries scam artists and religious fanatics who have given their lives over to the pursuit of immortality Starting off at the Church of Perpetual Life in Florida and exploring the feuding subcultures around the cryonics industry Peter Ward immerses himself into an eccentric world of startups scam artists scientific institutions and tech billionaires to deliver this deeply reported nuanced and sometimes very funny exploration of the race for immortality and the potentially devastating consequences should humanity realize its ultimate dream *Seeding the Universe with Life: Securing Our Cosmological Future* Michael Noah Mautner,2000 It is the human purpose to propagate Life In this popular science title a well recognized researcher describes how we can seed new solar systems with microbial representatives of our family of organic life The book also describes a life centered astroethics that will motivate these missions based on the unity of all gene protein life a common ancestry a unique complexity and the coincidence of physical laws that allow biology giving life a special place in Nature a shared drive for survival and procreation and a shared future As part of this family it is our purpose to safeguard and expand life in the universe To advance this purpose Professor Mautner pioneered research on the fertilities of extra terrestrial materials in asteroids meteorites The results show that many microorganisms and even plants can grow on resources found commonly in space which are basically similar to Earth materials The conclusions are significant If life can flourish on Earth life can flourish throughout the universe Based on the results on microbes and meteorites the author estimates the ultimate amounts of life that our missions can induce in the cosmological future A life centered astroethics can assure that our descendants will be there to enjoy this future *It Was a Dark and Stormy Night* John Chapman,2015-02-06 An unbelievable short story If you were struck by lightning and survived unharmed would you voluntarily risk it again You might if you were on a time travel mission A Kindle Short Story Free on Kindle Unlimited **It was a dark and stormy night- Time after Time** John Chapman,2023-10-25 You won t believe this but I m about to tell you a story that will change the course of history A story about time travel secret agents and paradoxes It s a story that will start with a chance encounter with a time traveler known as Jack the Ripper and it will end with the founding of TACO the Time Agency Chronoclasm Organisation a powerful agency controlling time travel throughout history The second short story tells how I was coerced into joining TACO as an

observer on a mission to rescue the Blair witch It was either that or be slightly dead Apparently the Blair witch was also a TACO agent and had been set up to be almost killed by the good citizens of Blair by BELL the time travel equivalent of the FBI They wouldn't tell me what BELL stood for The third story my second time travel mission was to make sure the Titanic sank Over 1 500 died but their deaths saved the lives of millions throughout the timeverses The fourth story deals with paradoxes 1493 wasn't ready for flying machines so Alex Pearin aka Jack the Ripper and I traveled to Florence in Tuscany to talk to Leonardo da Vinci about paradoxes and why he shouldn't build the world's first flying machine Alex and I ended up helping Leonardo complete a flying machine and helping him on its first flight I also solve a couple of other mysteries and discover I founded BELL

Stones, Stars and Solutions John Chapman, Shelia Chapman, 2011-07-24 Who are the Sky People and what is the Sky's Eye What do they have to do with the ancient document held by the Triplet family since 1099 What is the purpose of the mysterious stone kept with the document Why was the document written in thirteen different languages Does the number thirteen provide a clue When translated what is the ultimate power the document speaks of Sir Richard and his family begin a quest for the answers Unfortunately he and his group aren't the only ones looking for this ultimate power His opponents already have a two day head start Their journeys will lead them to the cradles of civilisation but where does their journey start What will they discover at the end Why are James and Donna so important to this quest What about the situation between Richard and Donna Is he still lying to her Did he send the threatening letter Everyone including Joyce believes Richard would be the logical choice Richard swears he didn't send it but if he didn't then who did Who sought Joyce's help through a mysterious phone call to the Complex Would Joyce regret the choice she made Where does Kate fit in Does she hide a secret of her own Is Tom an ordinary little boy or is he special like James and Donna Why does he know so much about the Dine Y Who told him Who is Candice Stuart and what important part will she play in James's future

Dark Secrets John Chapman, Shelia Chapman, The doctor who developed the immortality virus is dead Her body has been treated with her drug though can she be brought back to life The second part of the A Vested Interest series follows Immortality Gene Dr Donna Rigden is clinically dead Two letters and two secrets steered her future now one is missing Who took it and why Who blackmailed her into marrying Richard Triplet when she was still in love with Jared Thundercloud and more attracted to Dr Sam Kaliea The killer strikes again Using a more technologically advanced form of the nanobug John Liu injects Donna and her unborn child with nanonytes To make matters worse he also attacks her best friend her best friend's mother and even the infamous Lady Triplet As the Triplets struggle to overcome this new threat they uncover the dark secret that has remained hidden for nearly a thousand years and Donna is ripped from Richard's arms by an enemy he cannot fight
