Peptides and Peptide-based Biomaterials and their Biomedical Applications Anwar Sunna, Andrew Care, Peter L. Bergquist, 2017-10-26 Solid binding peptides have been used increasingly as molecular building blocks in nanobiotechnology as they can direct the assembly and functionalisation of a diverse range of materials and have the ability to regulate the synthesis of nanoparticles and complex nanostructures Nanostructured materials such as sheet fibril forming peptides and helical coiled coil systems have displayed many useful properties including stimulus responsiveness modularity and multi functionality providing potential technological applications in tissue engineering antimicrobials drug delivery and nanoscale electronics The current situation with respect to self assembling peptides and bioactive matrices for regenerative medicine are reviewed as well as peptide target modeling and an examination of future prospects for peptides in these areas

Policing and Boundaries in a Violent Society Guy Lamb, 2022-01-31 This book explores how social and territorial boundaries have influenced the approaches and practices of the South Africa Police Service SAPS By means of a historical analysis of South Africa this book introduces a new concept police frontierism which illuminates the nature of the relationships between the police policing and boundaries and can potentially be used for future case study research Drawing on a wealth of research this book examines how social and territorial boundaries strongly influenced police practices and behaviour in South Africa and how social delineations amplify and distort existing police prejudices against those communities on the other side of the boundary Focusing on cases of high density police operations public order policing and the recent policing of the COVID 19 lockdown this book argues that poor economic conditions combined with an increased militarisation of the SAPS and a decline in public trust in the police will result in boundaries continuing to fundamentally inform police work in South Africa This book will be of interest to scholars and students interested in policing in post colonial societies characterised by high levels of violence as well as police work and police militarization

Rape Cultures and Survivors Tuba Inal, Merril D. Smith, 2018-07-11 An in depth treatment in two volumes of the historical and cultural contexts of rape and rape culture this set discusses both victims and perpetrators internationally during war and peace times and examines the treatment of survivors Historically women men and children have all suffered sexual violence during wartime and peacetime as well as inside and outside their homes This two volume title focuses on survivors of rape in a variety of social and cultural contexts It examines different people who are victimized in a variety of situations including in war and prisons and studies the particularities of rape cultures that are intertwined with ethnic cultures and hatreds and other forms of conflictual social political and economic relations In the introduction the editors define rape and rape culture and provide historical and cultural context for the information presented throughout the volumes the first of which primarily focuses on the causes and manifestations of rape cultures the second considers the consequences of rape cultures for survivors of sexual assault In both volumes contributors provide case studies elucidating the experiences of a variety of victims young old male

female straight and LGBT in diverse locations around the world to help readers understand how truly pervasive and portentous rape culture is Police Corruption and Police Reforms in Developing Societies Kempe Ronald Hope Sr.,2015-09-25 Much of the literature on police corruption and police reforms is dominated by case studies of societies classified as developed However under the influence of globalization developing societies have become a focal point of scholarly interest and examination *Police Corruption and Police Reforms in Developing Societies* provides critical analyses

Police Integrity in South Africa Sanja Kutnjak Ivkovich,Adri Sauerman,2020-04-29 Policing in South Africa has gained notoriety through its extensive history of oppressive law enforcement In 1994 as the country s apartheid system was replaced with a democratic order the new government faced the significant challenge of transforming the South African police force into a democratic police agency the South African Police Service SAPS that would provide unbiased policing to all the country s people More than two decades since the initiation of the reforms it appears that the SAPS has rapidly developed a reputation as a police agency beset by challenges to its integrity This book offers a unique perspective by providing in depth analyses of police integrity in South Africa It is a case study that systematically and empirically explores the contours of police integrity in a young democracy Using the organizational theory of police integrity the book analyzes the complex set of historical legal political social and economic circumstances shaping police integrity A discussion of the theoretical framework is accompanied by the results of a nationwide survey of nearly 900 SAPS officers probing their familiarity with official rules their expectations of discipline within the SAPS and their willingness to report misconduct The book also examines the influence of the respondents race gender and supervisory status on police integrity Written in a clear and direct style this book will appeal to students and scholars of criminology policing sociology political science as well as to police administrators interested in expanding their knowledge about police integrity and enhancing it in their organizations
