behavior in the line

Directions: Copy the paragraph in your best handwriting.

Today I forgot how to behave in the line. I can't believe I did that. It is really embarrassing. I know that my teacher expects me to have my hands behind my back, my eyes facing the front, and my mouth closed as we walk down the hall. I want to be proud of the way my class behaves in the hallway. We are smart and we need to show it all the time. I want people to always be able to tell what great parents I have by the way I control myself. I know I will do better from now on. It is really very simple to behave in line.
