A Spirit Without Borders:

Spirits without Borders K. Fjelstad, N. Hien, 2011-07-04 *Spirits without Borders* is an ethnographic study of the transnational and multicultural expansion of Vietnam's Mother Goddess Religion and its spirit possession ritual. The work explores how and why the ritual spread from Vietnam to the US and back again and the impact of ritual transnationalism in both countries.

A Spirit Without Borders Andrew Grey, 2015-07-17 Sequel to *A Heart Without Borders*. Without Borders Book Two. Dillon McDowell, an infectious disease specialist, jumps at the opportunity to work with Doctors Without Borders in Liberia. But when he arrives, things are very different than he expected and he's out of his depth. Will Scarlet takes him under his wing and helps him adjust. A hint of normalcy comes when a group of local boys invite Dillon to play soccer. Will's family rejected him for being gay and he's closed off his heart. Even though meeting Dillon opens him to the possibility of love, he's wary. They come from different worlds and Will plans to volunteer for another stint overseas. But Will realizes what Dillon means to him when Dillon becomes ill and they can no longer deny their feelings. When Dillon's soccer friends lose their parents and aunt to disease, Will and Dillon must work together to ensure that the boys aren't cast adrift in a society that's afraid they might be contagious. They must also decide if their feelings are real or just the result of proximity and hardship.

Fire and Sand Andrew Grey, 2022-07-05 Can a single dad with a criminal past find love with the cop who pulled him over? When single dad Quinton Jackson gets stopped for speeding, he thinks he's lost both his freedom and his infant son who's in the car. He's been chasing down the highway. Amazingly, State Trooper Wyatt Nelson not only believes him, he radios for help and reunites Quinton with baby Callum. Wyatt should ticket Quinton, but something makes him look past Quinton's record. Watching him with his child proves he made the right decision. Quinton is a loving, devoted father and he's handsome. Wyatt can't help but take a personal interest. For Quinton, getting temporary custody is a dream come true or it would be if working full time and caring for an infant left time to sleep. As if that weren't enough, Callum's mother will do anything to get him back, including ruining Quinton's life. Fortunately, Quinton has Wyatt for help, support, and as much romance as a single parent can schedule. But when Wyatt's duties as a cop conflict with Quinton's quest for permanent custody, their situation becomes precarious. Can they trust each other and the courts to deliver justice and a happy ever after? *Fire and Sand* is the first book in RWA Centennial Award-winning author Andrew Grey's Carlisle Troopers series. Fans of found families, second chances, and guys with hearts of gold will love this contemporary romance.
