Murder in Rat Alley Mark de Castrique, 2024-04-02 In this unusual spin on the classic spy novel murder strikes from our wartime pasts Iraq War veteran Sam Blackman with his prosthetic leg and his no nonsense private eye partner Nakayla Robertson love their investigations which always carry a thread from the past and they love each other An interracial couple in the new South the Asheville NC pair has surrounded themselves with a terrific support team including an unorthodox lawyer and a veteran cop They deploy humor both to bind them together and to deflect insults Plus it helps deal with the tragedies their work uncovers Such a tragedy interrupts a meeting between the PIs and the neighboring law office when a body is unearthed from the grounds of

the nearby Pisgah Astronomical Research Institute During the Cold War it monitored developing space programs Today it plays a vital role gathering weather and climate data The body has been in the ground a long time Why would its discovery spark off a new murder in Asheville s mountain music scene the victim found amid the garbage of dark dank Rat Alley She was the fianc e of the man murdered long ago But surely this case is more than a domestic drama playing out over time The Blackman Agency Investigations excel at merging past and present bringing little known history to light and are perfect for fans of James Lee Burke Stephen Mack Jones Margaret Maron and Robert B Parker **Forthcoming Books** Rose Army,1992-10
