A Survey Of The Apostolic Scriptures For The Practical Messianic:

A Survey of the Apostolic Scriptures for the Practical Messianic J. K. McKee, 2012-03-09 As a Messianic Believer do you have a problem reading the New Testament When you read the Apostolic Scriptures are you confused when you encounter the Gospels Acts or Epistles Have you possibly been taught that the New Testament replaces the Old Testament and that there are contradictions between the two only to be reconciled by the coming of Yeshua Do you have difficulty reconciling the words of the Torah to Yeshua Peter Paul John and the other Apostles If you have ever asked any of these questions it is time that you receive a re introduction to the Apostolic Scriptures These texts record the ministry and teachings of Yeshua the Messiah the history of the First Century Messianic community and the challenges that the early Believers in Yeshua faced These texts are not contrary to the Torah but do continue God's progressive story that begins in Genesis They have valuable lessons that every Messianic Believer and Messianic congregation must learn in this hour as the Messianic community grows and matures A Survey of the Apostolic Scriptures for the Practical Messianic takes you on a journey through the New Testament from a distinct Messianic point of view The student in company with his or her study Bible is asked to read through each text of the Apostolic Scriptures jotting down characters place names key ideas and reflective questions Each book of the New Testament is then summarized for its compositional data and asks you questions to get a good Messianic feel for the text This workbook can be used for both personal and group study and will be a valuable aid for any Messianic Believer wanting to study the whole Bible on a consistent basis

The Apostolic Scriptures Practical Messianic Edition - With Translation Notes J. K. McKee, 2015-07-16 Today's broad Messianic community has some significant struggles with the Apostolic Scriptures or New Testament This has been one of the major causes for Messianic Apologetics starting the for the Practical Messianic commentary series and why we continue to add new volumes to it An important part of our complete book commentary series has been to provide an Author's Rendering appendix based on the public domain 1901 American Standard Version incorporating various renderings and translations proposed The Apostolic Scriptures Practical Messianic

Edition takes this a step further and incorporates various other renderings and translations proposed from an entire selection of Outreach Israel Ministries and Messianic Apologetics materials from both completed Practical Messianic commentaries and the remainder of the New Testament for which we have planned future volumes There have been a number of useful and beneficial Messianic editions of the Apostolic Scriptures produced notably including the Jewish New Testament and Tree of Life Messianic Family Bible both intended for congregational reading and private study The Apostolic Scriptures Practical Messianic Edition is a little different in that it is rooted within the research and conclusions defended in the Messianic Apologetics Practical Messianic commentary series and other titles such as The New Testament Validates Torah and various volumes of the Messianic Helper series Unlike Messianic editions of the Apostolic Scriptures which might not explain the specifics of various controversial renderings translation notes have been provided There are renderings present in the PME which you are not likely to see in any other Messianic version although they are taken from various proposals made in contemporary Biblical Studies The Apostolic Scriptures Practical Messianic Edition or PME should prove to be a welcome volume within the Messianic Apologetics library of for the Practical Messianic commentaries The PME will give readers a specialty edition of the New Testament that they should appreciate in their Bible reading and personal reflections

Survey of the Tanach for the Practical Messianic J. K. Mckee,2012-03-21 One of the major reasons that today s Messianic movement has grown in the past decade is a significant interest by Believers in the Torah and the Tanach In too many cases the Tanach Scriptures were not probed in that great a detail in a Jewish Believer s traditional Synagogue upbringing and perhaps more serious a non Jewish Believer s Christian experience often witnessed the Old Testament taking a back seat to the New Testament in the Church With many of the ethical and moral controversies the greater Judeo Christian religious community is experiencing in our age a need for God s people to return to a foundational grounding in the Tanach Scriptures is absolutely imperative The Old Testament cannot simply be disregarded any more Many have stayed away from consulting the Tanach not because of a lack of interest but because few want to have to deal with the controversies it addresses Unlike the Apostolic Scriptures constrained to the First Century C E the period of the Tanach stretches back all the way to the beginning of the universe itself Questions like Who was the Pharaoh of the Exodus Did God actually condone the genocide of the Canaanites and Am I the only one who thinks the Prophets are mentally disturbed are debates that many people do not want to enter into Even more significant is the effect of critical scholarship which has attempted to divide the Torah into non Mosaic sources question the inspiration and historical reliability of the text and even regard much of the Tanach as Ancient Israel s mythology For a Messianic movement that claims to place a high value on the Tanach it is time that we join in to these conversations A Survey of the Tanach for the Practical Messianic takes you through the Old Testament from a distinct Messianic point of view It presents a theologically conservative perspective of the books of

the Tanach but one that does not avoid some of the controversies that have existed in Biblical scholarship for over one hundred and fifty years The student in company with his or her study Bible is asked to read through each text of the Tanach jotting down characters place names key ideas and reflective questions Each book of the Old Testament is then summarized for its compositional data and asks you questions to get a good Messianic feel for the text This workbook can be used for both personal and group study and will be a valuable aid for any Messianic Believer wanting to study the whole Bible on a consistent basis *The Apostolic Scriptures Practical Messianic Edition - Reader's Version* J. K. Longenecker,1999-03-30 The discovery of the Dead Sea Scrolls the Nag Hammadi texts and new Targums has greatly increased scholarly interest in the relationship between the New Testament and first century Judaism This critically acclaimed study by Richard Longenecker sheds light on this relationship by exploring the methods the earliest Christians used to interpret the Old Testament By comparing the first Christian writings with Jewish documents from the same period Longenecker helps to discern both the key differences between Christianity and Judaism and the Judaic roots of the Christian faith This revised edition of Biblical Exegesis in the Apostolic Period brings Longenecker s valued work up to date with current research in this important field of study Catalog Issue of the Maryville College Bulletin Maryville College,1919 **The Temple University Catalogue** Temple University,1913
