The Beginners Guide to Using the Newest Apple TV (Fourth Generation - 2015): Thomas Belle, 2015-11-05 Mac iPhone iPad Apple TV While Apple TV may not get the same press as other Apple products that is about to change For years

Apple TV was touted on Apple's hobby product something they tinkered with occasionally but not something they put as much effort in as other Apple products. This guide is an introduction to the newest Apple TV released in October 2015. If you are just thinking about making the switch from cable to streaming TV, then this book will show you how. If you've already made the switch but you want to get the most out of it, then it will cover that as well. There's something for everyone here so read on.

From Networks to Netflix Derek Johnson, 2022-07-26. Now in a second edition, this textbook surveys the channels, platforms, and programming through which television distribution operates with a diverse selection of contributors providing thorough explorations of global media industries in flux. Even as legacy media industries experience significant disruption in the face of streaming and online delivery, the power of the television channel persists. Far from disappearing, television channels have multiplied and adapted to meet the needs of old and new industry players alike. Television viewers now navigate complex choices among broadcast cable and streaming services across a host of different devices. From Networks to Netflix guides students, instructors, and scholars through that complex and transformed channel landscape to reveal how these industry changes unfold and why they matter. This second edition features new players like Disney, HBO Max, Crunchyroll, Hotstar, and more, increasing attention to TV services across the world. An ideal resource for students and scholars of media criticism, media theory, and media industries, this book continues to offer a concrete, tangible way to grasp the foundations of television and television studies even as they continue to be rewritten.
