Riffel, Ph.D., 2016-09-13 This book is designed to take an educator through ten days of real student data and help them learn how to interpret the data for the gold that is hidden within This is an easy to use format and participants rave about being able to comprehend the data and make a data based quality plan after taking this course Many university courses use this as part of their text for students just learning about behavior analysis This book is for the one day course from Behavior Doctor Seminars Dr Riffel has a two day course that teaches learners how to enter this data into a free FBA data tool available on www.behaviordoc.org There is also a six month course book for those who want to build behavioral expertise in their school Behavioral Interventions in Schools David Hulac, Joy Terrell, Odell Vining, Joshua Bernstein, 2011-01-19 This book is a how to manual for school mental health professionals educators and administrators that discusses a series of steps that can be used to proactively manage and prevent many different types of behavioral problems in a positive manner It incorporates both the high structure and high behavioral expectations that are crucial for school success but also describes following this structure in such a way that students feel included important and respected Rather than requiring the mental health providers to investigate the research themselves and come up with a behavioral problem solving model this book includes step by step guides on how to implement school wide and classroom wide interventions in a response to intervention format For those students who demonstrate more behavior problems more intensive interventions are included to help alleviate those problems The first section of the book discusses Tier I interventions and assessments designed to ensure that the school is effectively implementing a high quality research based behavioral management system The next section covers Tier II interventions those used for students who do not respond adequately to those of Tier I These interventions are research based rigorous and designed to address a broad range of behavior problems Finally the last section discusses Tier III interventions for students in need of highly individualized and intensive interventions to manage behavior problems **Functional Behavioral Assessment** Kevin J. Filter, Michelle Alvarez, 2012 In schools functional behavioral assessment FBA is traditionally applied to special education contexts This book

describes how FBA can improve the behavior of all students using a three tiered prevention model It includes forms and case examples to help school social workers maintain their role as important contributors to student outcomes **Implementing Effective Behavior Intervention Plans** Curt Johnson, 2018-02-15 Whether written by a school psychologist BCBA or skilled practitioner of any variety all behavior intervention plans face the same difficulty the writer and implementer are not the same person Too frequently successful BIPs are discounted and discarded by those responsible for implementation Many BIPs are simply filed rather than followed Without additional burden to time constrained professionals this book addresses how to effectively and efficiently increase implementation fidelity Using a systems analysis approach to school climate interwoven with ample case studies school psychologists will be guided through eleven chapters of a step by step process to effectively create and implement behavior intervention plans
