Sultan, 1976 *Cake Making Made Easy* Nancy Wilson, 2012-11-04 Cooking has always been my passion and I believe that everyone who loves to cook should master the art of cake making This book was written for anyone who typically relies on a cake mix to bake for special occasions rather than dive into the adventure of making a cake from scratch My goal was to provide all the information that is necessary for any cook to create amazing cakes and to make the process much easier It was also planned for the experienced baker who wants to refine his or her baking skills There is nothing sweeter than for a loved one to arrive home after a long grueling day at school or work and find a favorite cake waiting warm from the oven This book will help everyone who owns it give that gift of love often A Cake Manual Jessie B.
