Atlas Of The Worlds Religions:

Atlas of World Religions Tim Dowley, 2018-11-15 Understanding the where of the world's religious traditions is an important component of understanding the what. Now as part of a brand new series of atlas resources Fortress Press is pleased to offer an affordable compact yet comprehensive atlas of world religions. *Atlas of World Religions* is newly built from the ground up. Featuring more than fifty new maps, graphics and timelines, the atlas is an immensely helpful companion to any study of world religions. Concise, helpful text written by acknowledged authorities guides the experience and interprets the visuals. Consciously written for students at any level, the volume is perfect for independent students as well as those in structured courses. The atlas provides ample and equal coverage of all of the world's major religious traditions as well as generous coverage of regional or indigenous traditions in specific regions of the world. The atlas is grounded in a helpful section on the earliest humans and the spread of the first organized religions and it culminates in up to date maps of religion in the world today.

The Atlas of Religion Joanne O'Brien, Martin Palmer, 2016-05-04 The world's religions have emerged as one of the greatest geopolitical forces now shaping our lives. Now available in an updated edition, this authoritative atlas is an essential resource for understanding the powerful role of religion around the globe. In an accessible text packed with information, it maps the current nature, extent and influence of each of the major religions and shows country by country how religions are spread through broadcasting, missionary work, schooling and banking, how they relate to government laws and world hunger and the role they play in wars. It traces the emergence of new religious movements, the survival of traditional beliefs and the presence of atheism and agnosticism. The *Atlas of Religion* also locates the origin, the heartland and the sacred places of each of the major religions and provides essential background with a valuable table showing the fundamental beliefs of Buddhism, Christianity, Hinduism, Islam, Judaism, Sikhism and Taoism. Copublished by Myriad Editions Limited.

[Atlas of the World's Religions](#) Ninian Smart, 1999 The ten chapters in this book cover the world religions: Judaism, Christianity, Islam, Buddhism, the Hindu traditions as well as every significant regional religious tradition. There is also special coverage of regional cults, missionary activities and indigenous belief systems in every part of the world.

Atlas of the World's Religions Ninian Smart, Frederick Mathewson Denny, 2007 This superbly illustrated reference work remains the only comprehensive visual guide to the world's religious traditions. With text by leading experts and lavish photography, thematic maps, tables and charts, the *Atlas of the World's Religions* Second Edition ranges from the travels of the Buddha to the geographical distribution of modern indigenous faiths, providing a full and informative picture of world religion both past and present. Through almost 200 full color maps organized in a beautifully designed series of double page spreads, this marvelous atlas shows the historical development and present state of all the world's major religions with color illustrations that show temples, sites, ceremonies and works of art connected with religious life. The updated and expanded second edition provides a comprehensive overview of the major events over time that influenced the geographical development of the world's religions.

and it provides a global and regional assessment of religion in the modern world There are eight entirely new double page spreads that illuminate such topics as the spread of the Latter day Saints throughout the world Pentecostal Christianities today perhaps numbering more than 500 million adherents or nearly one fourth of the global Christian population contemporary diasporic communities South American religions and much more The second edition also includes extensive updates to many page spreads 20 000 new words of text fresh maps and illustrations a revised introduction by the new editor Frederick Denny an expanded glossary and index and a list of additional resources all of which further enhance the value of the book Both a treasury of information and an exhilarating visual feast *Atlas of the World's Religions Second Edition* is an essential reference work for anyone interested in faith around the globe

The Atlas of the World's Religions P. B. Clarke, 2000-12-15 This reference work examines the great faiths of the world including Judaism Christianity Islam Buddhism Hinduism Sikhism Shinto and China's religious traditions It tells how major religions began and traces their development from their origins to the present day

Historical Atlas of the Religions of the World Isma'il R. Al-Faruqi, David Edward Sopher, 1974 Illustrated historical and geographical atlas of the locales and dispersion of the world's religions ancient and modern

Atlas of World Religions Tim Dowley, Christopher Hugh Partridge, 2018 Featuring more than sixty brand new maps photographs diagrams and charts the *Atlas of World Religions* is an essential companion to any study on the key religions of the world

Atlas of the World's Religions Ninian Smart, 1999 Uses narrative maps and photographs to provide a view of the world's religions in their geographical and historical contexts

Atlas of World History Patrick Karl O'Brien, Patrick O'Brien, 2002 Synthesizing exceptional cartography and impeccable scholarship this edition traces 12 000 years of history with 450 maps and over 200 000 words of text 200 illustrations

Hammond Atlas of World Religions Stuart Murray, Robert V. Huber, Elizabeth Mechem, 2008-10 Maps and text present a guide to the historical development and current state of the world's religions
